

Join RI ACP Health and Public Policy Committee (HPPC) to learn how you can help pass key laws this spring that will make our state safer for ourselves, our families, and our communities.

Wednesday, April 16, 2025
7:00-8:30pm (virtually)

Hear key policy leaders present about bills being proposed in the 2025 RI Legislative Session to:

- **Address healthcare access and cost** Sen. Linda Ujifusa, D-Portsmouth
- **Protect Bodily Autonomy** Jocelyn Foye, Executive Director, The Womxn Project <https://thewomxnproject.org/>
- **Protect RI's water supply** Emily Howe, RI State Director, Clean Water Action <https://cleanwater.org/states/rhode-island>
- **Ban assault weapons and require safe storage of guns** Melissa Carden, Executive Director, RI Coalition Against Gun Violence <https://ricagv.org/>

Each speaker will present a 15 minute overview of current bills being proposed and what RI ACP members can do to help their passage into law this year.

Questions and Answers will follow.

Attending & resident physicians, medical students, physician assistants, and nurse practitioners who live or work in RI are invited (ACP members and non-members). Please [RSVP](#)
