You are cordially invited to attend the annual fall meeting of the South Dakota Society of Internal Medicine. The program is being sponsored in cooperation with the Medical School and the University Extension Service. The program may be offered as credit for attendance by members of the American Academy of General Practice. There is no registration fee. All visitors are invited to the noon luncheon.

Inquiries concerning the program, or assistance in securing room reservations, may be had by writing Office of the Dean, School of Medicine, Vermillion, South Dakota. Also, auto transportation to and from commercial air-lines in either Sioux Falls or Sioux City can easily be arranged for on advanced notice. The work of the entertainment committee would be facilitated if those planning to attend the dinner would so advise the Dean's Office in advance of the registration.

Case Studies:

"A Granulomatous Lesion of the Stomach Resembling Boeck's Sarcoid."

J. W. Donahoe, M.D., Donahoe Clinic, Sioux Falls, South Dakota.

"Familial Hemolytic Anemia; an Infant Case Report."
