

Dear Colleagues,

As you are likely aware, my term as the Air Force ACP Chapter Governor started in April 2017 but the year prior I served as the Governor Elect Designee. With my term ending in 2021, solicitation went forward earlier this year to seek a new Governor who would start their term in April 2021. After a thorough process led by senior physicians in the chapter, and in close coordination with National ACP, screening of members interested in the position led to the nomination of Dr. Angie Collamer.

It is with great pleasure and honor to announce that Dr. Angie Collamer will succeed me as the Air Force Chapter Governor! Dr. Collamer will start her term as Governor-elect after the Annual Business Meeting in Los Angeles, CA on April 25, 2020. Dr. Collamer will take office as Governor in April of 2021. To learn more about our new Governor-elect Designee, see her biography at this link:
<https://www.acponline.org/about-acp/chapters-regions/us-armed-forces/us-air-force-chapter/meet-the-new-united-states-air-force-governor-elect-designee>.

Of course, until the transition occurs in 2021 I will remain active as your Governor, again honored to represent you in all ACP activities and showcasing the amazingly talented physicians, specialists, students, and allied health professionals that comprise our chapter!

Sincerely,
Matt Carroll
Air Force ACP Chapter
