

Colleagues, some news for our Chapter!

1. Help Drive ACP's New Vision for Health Care!

We need the Vermont Chapter's input on the College's New Vision Initiative! The following survey will close on April 12 and it should take no more than 5 minutes to complete.

ACP encourages members to participate in this survey to help gather input on proposed plans for improving health care in the U.S. for all Americans.

www.acponline.org/newvisionsurvey

Background: ACP's Health and Public Policy Committee (HPPC) and Medical Practice and Quality Committee (MPQC) are working on a series of new policy papers outlining our vision for the future of America's health care system. Topics include coverage and cost of care, delivery system and payment reforms, and breaking down barriers to accessing care.

2. ACP Resolutions.

The ACP Board of Governors meeting is April 9-10 in Philadelphia! Our Chapter Council has reviewed and discussed the spring resolutions at our last meeting. I would invite our membership to take a look at these; if there are any that you especially support or are especially concerned about, please email me directly. We have opportunities for electronic feedback and testimony at the meeting. Please email me with any comments before **Monday, April 8**.

3. Welcome, ACP Vermont Chapter Governor Allen Repp, MD, FACP!

Allen will assume Governorship following the April meeting. Our transition is seamless! Allen's email is allen.repp@uvmhealth.org

A short note from me. It has been an absolute pleasure serving as your Vermont Chapter Governor and I am grateful for the opportunity. ACP is an incredible organization and I love working with our Vermont Chapter membership, our Council, and especially our annual Chapter Scientific meetings. Our Chapter has access to many ACP resources and opportunities to participate in national discussions about internal medicine practice and policy that have a real impact. A special thank you to Colleen Magne, our Chapter staff, for her ongoing contributions to the work of our Chapter.

Please email me and Allen if you will be attending Internal Medicine Meeting 2019! We would love to see you there!

Jan K Carney, MD, MPH, FACP
Vermont Chapter, ACP Governor
