Dear Internal Medicine Industry Partner:

We are pleased to announce the 66th Annual Scientific Meeting of the Wisconsin Chapter of the American College of Physicians (ACP). This two-day scientific meeting is the premiere meeting of the year for internists in the state of Wisconsin.

This year's meeting will be held September 10-11, 2021 at the Wilderness Resort and Glacier Canyon Conference Center in Wisconsin Dells, WI.

Again this year, we are planning for an increased number of presented and displayed posters on Friday afternoon, which will put you face-to-face with some of Wisconsin's, Minnesota's and Illinois' current and future internists.

On Friday evening, the reception for all attendees of the meeting will be in the Exhibit Hall. The medical student/resident poster display and judging will be in the Exhibit Hall, as well, and is sure to maintain significant traffic/activity in this area.

Exhibit hours will run from Friday afternoon through Saturday afternoon. We are scheduling a break during the vignette session on Friday afternoon that would provide the exhibitors and the attendees with an additional opportunity to interact.

Enclosed you will find exhibitor information containing details of the conference, as well as a floor layout for booth reservations. The exhibit fee is \$1000.00 per table. Income generated from exhibit fees will be used to offset meeting expenses. For your reference, the ACP-Wisconsin tax identification # is 39-1414844. If you require more information please contact the ACP-Wisconsin Annual meeting office at (414) 488-3910 and we will try to meet any special requests.

If you have exhibited in the past, please accept the appreciation of the members of the Wisconsin Chapter of the ACP for your support of the Annual Scientific Meeting. Should you wish to continue further support, a list of grant opportunities is also included in the exhibitor prospectus.

Thank you,

Jenni Kilpatrick, CAE
Chapter Executive
