

Greetings!

ACP Wisconsin has lot of good news to share and invitations for you to gather with colleagues and friends. Winter can sometimes feel isolating especially when the weather is this cold. Please read on and consider participating with friends and colleagues old and new in one of these opportunities to enhance your wellness and share your stories with others. Make 2026 the year when you tell a colleague that you appreciate them with a nomination for a Chapter Award. See below for details about these Chapter activities and the latest ACP Wisconsin Chapter News.

Members in the News

Nathan Deep Appointed to ACP National Council of Medical Student

MembersNathan Deep, an M2 student at the Medical College of Wisconsin, has been appointed to the ACP National Council of Medical Students with a term starting in April 2026.

The Council of Medical Student Members is responsible for providing advisement to leadership regarding:

- Promoting internal medicine as a career
- Increasing the value of ACP membership to medical students
- Strengthening chapter and medical school level activities
- Aligning council activities with the College's Strategic Plan

Ritika Punathil Selected for 2026 ACP Health Policy InternshipRitika Punathil, an M4 student at the University of Wisconsin School of Medicine and Public Health, has been selected for the [ACP Health Policy Internship](#) in Washington, D.C.

As part of this Health Policy Internship, she will participate in the preparation for the national ACP Leadership Day in May, when ACP leaders from throughout the country meet in D.C. She will be part of organizing programming around health policy and preparing participants for meetings with congressional representatives to discuss ACP policy priorities.

Congratulations to Nathan and Ritika!

Call for 2026 Award Nominations

The ACP-Wisconsin Chapter believes that it is important to recognize and honor distinguished internal medicine physicians and colleagues for their teaching, research, service and leadership accomplishments through our 2026 ACP-Wisconsin Chapter Awards. The Awards Committee requests your assistance in recognizing these individuals. Please refer to the information below for the details of each award and please consider nominating a deserving colleague.

- You may nominate only one candidate for each of the ten awards.
- All nominees must be members of the ACP-Wisconsin Chapter (except for the Legislator of the Year and Advancement of Women's Health Awards). To determine if a person is an ACP-Wisconsin Chapter member, please contact ACP-WI Chapter Staff, Veronica DeMore (info@acpwi.org) or by phone, 414-488-3910.
- **Nominations are due by Monday, April 6th, 2026.** Winners will be notified in June and invited to attend the award presentations at the 2026 ACP-WI Annual Scientific Meeting.
- Please contact Dr. Christie Seibert (cseibert@wisc.edu), ACP-WI Awards Committee Chair, or ACP-WI Chapter Staff, Veronica DeMore (info@acpwi.org) with any questions.

Leadership Day Travel Funding Opportunity

Applications Due Thursday, January 29, 2026 at 5:00PM

Leadership Day is the American College of Physicians (ACP) annual event enabling internal medicine physicians and physicians-in-training from across the country to meet and discuss issues of concern regarding patient care, physician practice, and healthcare system reform with US representatives, senators, and congressional staff.

The Wisconsin Chapter has funding available for Early Career Physician Members, Resident/Fellow Members and Medical Student Members who would like to attend ACP Leadership Day in Washington, DC on May 12-13 as part of the Wisconsin Chapter delegation. There is limited funding and an application process is in place. Applications are due January 29, 2026. All applications will be reviewed by a subcommittee of the ACP-WI Governor's Council.

For more information, please review the attachment at the bottom of this newsletter. All participants are responsible for coordinating their own registration and travel arrangements. For any other questions, please contact ACP-WI Staff, [Veronica DeMore](#).

Health and Public Policy Committee Updates

Firearm Safety

Your HPPC submitted testimony to the Wisconsin Assembly on State Affairs for a hearing on Jan. 7, 2026, in opposition to AB 609, which would allow concealed carry of firearms in Wisconsin without a permit. The statement emphasized ACP Policy against permit less concealed carry (sometimes called “constitutional carry”), stating:

“The permitting process has appropriately required firearm safety training and withheld permits from individuals . . . convicted of domestic violence or with felony convictions. Permit requirements work. In 2024 alone, 2,000 concealed carry permits were denied and 1,000 more revoked because the applicant could not pass a background check or had violated state or federal laws. . . Research shows that other states that weakened their concealed carry permitting requirements had a 9.5% increase in gun assaults and a 29% higher rate of firearm workplace homicides.”

Climate and Health

An organization that ACP-WI frequently collaborates with, Healthy Climate Wisconsin, will host an advocacy day in Madison on Tuesday, February 10, 2026. ACP members are encouraged to participate. There will be opportunities to learn more about health policy related to the environment as well as to meet with legislators. Click [here](#) to learn more.

ACP Leadership Day, Washington, D.C., May 12-13, 2026

Registration is now open for this two-day event that features advocacy education and opportunities to meet with federal legislators. CME is provided.

We strive to include representatives from each Wisconsin congressional district in our delegation to Leadership Day. Please notify HPPC Chair Dr. Sophie Kramer (drsophiekramer@gmail.com) if you are interested in attending this year.

Advocates for Internal Medicine

ACP-National is working on all fronts on vital policy issues impacting our patients and profession. Recent efforts include protecting evidence-based vaccine policy; advocating against restrictive IMG visa policies; supporting ACA protections; and supporting sustainable Medicare policy. You can stay informed and support these efforts by joining the [Advocates for Internal Medicine Network](#).

ACP-WI Mentorship Program

The ACP-WI Council of Medical Student Members is excited to announce that they have launched a pilot Mentorship Program!

ACP-WI is composed of physicians and medical students representing diverse identities, experiences, and stages of their medical careers. The mission of our mentorship program is to foster a supportive and collaborative learning environment that

empowers participants to achieve their personal and professional goals. By connecting participants with physicians at all stages of their careers, we aim to cultivate community, leadership, and lifelong learning in the next generation of healthcare professionals.

Purpose: To develop an inclusive mentorship framework that fosters the personal and professional growth of medical students while enabling physicians to engage with and guide the next generation of future physicians.

Goal: To equip members with mentorship tools and skills, facilitate meaningful connections, and strengthen community ties across different levels of training and practice.

Expected Outcomes:

- Enhanced mentorship among medical students, residents, and practicing physicians.
- Develop connections between physicians and future-physicians
- Enable mentees and mentors to grow personally and professionally

The Mentorship Program will run from January 2026 to December 2026. We hope to start the process of finding and matching new mentees and mentors for the following year in Fall 2026.
