Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Explore recent updates in high-value care for the Internist.
- Identify and discuss issues and pitfalls surrounding patient disposition from the inpatient setting.
- Discuss the advantages and disadvantages of early broad-spectrum antibiotic administration in sepsis.
- Review point-of-care ultrasound applications and knobology.
- Demonstrate basic technique and use of point-of-care ultrasound relevant to the Internist.

Learning Objectives

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the WVU School of Medicine and the WV American College of Physicians. The WVU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The WVU Office of CME designates this live activity for a maximum of 11* AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

*Additional CME credits may be added as the January schedule is finalized.

Number of approved MOC points: 10

Disclosure: All those in a position to control content have indicated that they have no relevant interests to disclose.

To receive CME credit for attending this meeting, please make sure to complete your Credit and Attendance Record form. Forms are located at the registration desk and are to be returned to the registration desk prior to leaving the conference. Certificates will be emailed directly to you.

Your Opinion Counts

At the conclusion of the meeting, please take a moment to complete the meeting evaluation form and return it to the registration desk. We value your opinion and use the surveys in planning future meetings.

Chapter Excellence Award

We are pleased to announce that our chapter the recipient of the **2021 Chapter Excellence Silver Award**. Of the 85 chapters, only 13 chapters received the Silver Award. The award recognizes chapters that achieve excellence in chapter management. This is a promotion, which the chapter was granted the bronze award for the last two years. Thank you to those chapter members who assisted us in all of these endeavors! For their hard work and dedication, we received this award.

Resident, Fellow and Medical Student Activities

Clinical vignettes and research abstracts prepared by resident/fellow members and medical students will be presented via the Chapter's ACP Virtual Poster Competition site. Abstract and resident Doctor's Dilemma winners will be eligible for entrance into the national competition held during Internal Medicine Meeting 2022 in Chicago, Illinois.

Pathways to Fellowship

Attendance at chapter meetings can help all ACP members meet the qualifications for advancement to Fellowship. It is especially important for those applying under the pathway that calls for five years of activity as a member.
