West Virginia Chapter
2022 Scientific Meeting

November 3-5, 2022
Stonewall Resort
Roanoke, West Virginia

Underserved in Appalachia

This live activity has been designated for 11.5 CME credits

@WVacp

wv_acp_chapter

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Identify and discuss the treatment of underserved patient populations in Appalachia.
- Discuss the application of point-of-care ultrasound relevant to the internist.
- Recognize the role and importance of IMGs in treating rural populations.
- Describe recent updates in the safe use of prescription opiates and the treatment of opiate dependence.

Who Should Attend?

- General interests
- Subspecialty internists
- Fellow in subspecialty training
- Hospitalists
- Allied health practioners
- Residents
- Medical students interested in Internal Medicine

CME Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the WVU School of Medicine and the WV American College of Physicians. The WVU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The WVU Office of CME designates this live activity for a maximum of *11.5 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure: All those in a position to control content have indicated that they have no relevant interests to disclose.

CME Credit Notice: Attendees will receive a link via email following this conference to complete your Credit and Attendance Record form. Certificates will be emailed directly to you. Credit transcripts for past WVU activities can be accessed at **http://ce.wvu.edu/**, and choosing Credit Transcripts.

Your Opinion Counts

At the conclusion of the meeting, please take a moment to complete the meeting evaluation form via the link that will be provided with the CME link. We value your opinion and use the surveys in planning future meetings.

Chapter Excellence Award

We are pleased to announce that our chapter has received the 2022 Silver Chapter Excellence Award. This is the fourth year that the chapter has received an excellence award, and the second year that we obtained the Silver Chapter Excellence Award. The award recognizes chapters that achieve excellence in chapter management. In order to achieve the Chapter Excellence Award, chapters must meet twenty-one Bronze criteria and seventeen Silver criteria. We would like to extend a special thanks to those chapter members who assisted us in achieving this award! For their hard work and dedication, we received this award.

Resident and Fellow, and Medical Student Activities

Clinical vignettes and research abstracts prepared by resident/fellow members and medical students will be presented at the meeting. Abstract and resident Doctor's Dilemma winners will be eligible for entrance into the national competition held during Internal Medicine Meeting 2023 San Diego, California. There will also be a resident and student mentoring breakfast as well.

Pathways to Fellowship

Attendance at chapter meetings can help all ACP members meet the qualifications for advancement to Fellowship. It is especially important for those applying under the pathway that calls for five years of activity as a member.
