Educational Resources

Annals of Internal Medicine

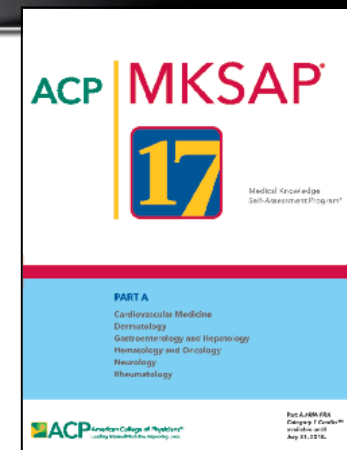

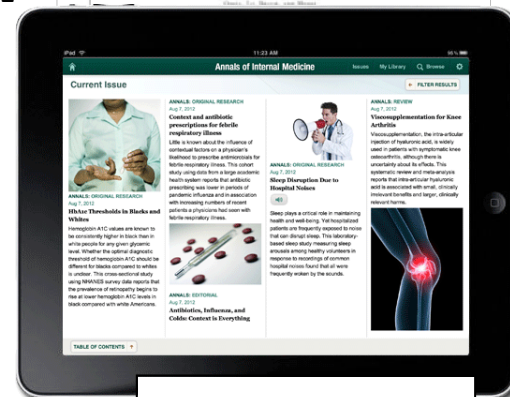

ACP's world class peer-reviewed medical journal; current, evidence-based science at your fingertips

- **New!** Interactive Virtual Patient cases test the physician's decision-making skills through examination, diagnosis, and treatment of a virtual patient. Learners can earn CME credits and MOC.
- Laugh while you learn with *Annals* Consult Guys Videos, a series of educational videos that use humor to address and solve clinical problems.

MKSAP 17

The gold-standard of physician self-assessment for more than 45 years; discounted to ACP members

- Order the print or digital version of MKSAP 17
- Use for Board preparation, recertification (MOC) preparation and credit, and updating medical knowledge
- Covers general internal medicine and 10 internal medicine subspecialties
- 1,200 multiple-choice questions; Answers and critiques included

Educational Resources

Evidence-based Clinical Guidance

ACP's Clinical Practice Guidelines, Guidance Statements and Best Practice Advice papers are rigorously reviewed based on the best evidence prior to publication.

Recent Clinical Practice Guidelines:

- Risk Assessment and Prevention of Pressure Ulcers (March 2015)
- Treatment of Pressure Ulcers (March 2015)
- Kidney Stones (November 2014)
- Diagnosis of Obstructive Sleep Apnea in Adults (August 2014)

High Value Care

ACP's Clinical Practice Guidelines, Guidance Statements and Best Practice Advice papers are rigorously reviewed based on the best evidence prior to publication.

- Evidence-based recommendations
- High Value Care teaching curriculum
- High Value Care Coordination Toolkit
- Practice resources
- Public policy papers
- Patient education materials
- Videos about High Value Care

Internal Medicine 2016: ACP's Annual Scientific Meeting

May 5-7, 2016, Washington, DC

- Over 200 educational, interactive workshops
- Case-based sessions and feedback on challenging patient management problems
- International reception and other social/networking opportunities
- Discounted registration for members and for delegations of ten or more attendees from outside the U.S.

Additional Clinical Resources

Monthly print publications - *ACP Internist* and *ACP Hospitalist* provide news and in-depth analysis of issues for inpatient and outpatient internists.

E-newsletters - *ACP InternistWeekly*, *ACP HospitalistWeekly*, and *ACP DiabetesMonthly*.

ACP Clinical Shorts - a series of short educational videos to help clinicians earn CME and MOC credits.

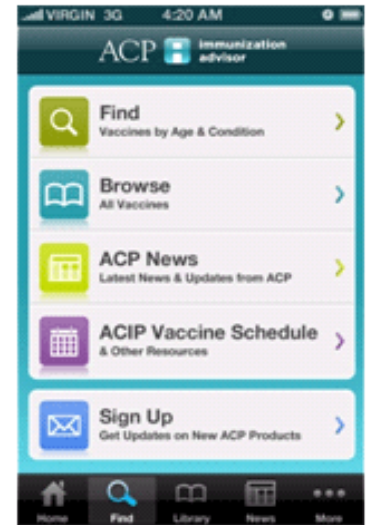

Additional Clinical Resources

ACP JournalWise is a personalized, mobile-optimized updating service for clinical articles from more than 130 medical journals that is free to ACP members. Updated daily and available on Smartphone, tablet, or desktop, ACP JournalWise screens and provides customized alerts and summaries for articles categorized by specialty area, methods quality, and clinical importance.

ACP Immunization Guide for day-to-day practice

Free ACP Immunization Advisor App makes it easy to find the right vaccines for patients by age or underlying circumstance based on current recommendations

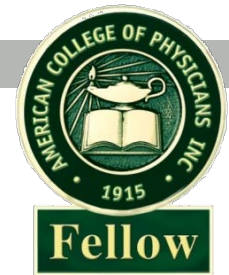

ACP | JournalWise 

A Key Benefit: ACP Fellowship

Election to Fellowship recognizes excellence in the practice of internal medicine and is achieved through professional accomplishments within one, or across multiple pathways:

- Published Academician - author of at least two published articles in medical journals
- Commitment to continuing education - multiple certifications, recertification, or MKSAP for score
- Active involvement in ACP - at least 5 years of membership and participation in College activities including national or local committees/councils
- Senior Physician with a distinguished career in internal medicine
