

ACP Strategic Priorities 2024-2027: **Aligning to Meet the Needs of a New Generation of Internal Medicine Physicians**

Address the Changing Dynamics of the IM Workforce:

ACP will lift the IM physicians' voice to strengthen their role and influence for the delivery of high-quality care, addressing payment and care model reform, enhancing medical education training, and influencing workforce pipelines.

Enhance ACP's Continuous Professional Learning Resources:

Expand delivery of innovative approaches and resources for physician continuous professional learning and high-quality education.

Membership & Engagement Enhancements:

Design and implement infrastructure innovations to advance membership, increase engagement across the profession, and enhance products and services to meet the evolving needs of internal medicine physicians.

Advance Chapter Alignment & Sustainability:

Evaluate and implement opportunities to strengthen regional/chapter member engagement, sustainability, and alignment.
