

Disclosure Purpose: Annual Governance Disclosure 2022-23 **Employment Information:** Currently Retired/Unemployed

Summary of Interests

Company or Organization

Entity	Type	Interest Held By	Value						
Up to Date	Consultant	Self	\$3,000.00						
Category: Consultant Compensation Type: Cash		Start Date: 01/01/2010 Compensation: Yes End Date: Ongoing / No Known End Date							
		<table><tr><th>Year</th><th>Amount</th><th>Type</th></tr><tr><td>2019</td><td>\$3,000.00</td><td>Estimated</td></tr></table>	Year	Amount	Type	2019	\$3,000.00	Estimated	
Year	Amount	Type							
2019	\$3,000.00	Estimated							
Additional Information: I write a chapter on lung cancer screening and receive royalties that typically are around 3k per year									

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker’s bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

**American College of Physicians
Scientific Medical Policy Committee
Disclosure of Interests: Supplemental Questions and Attestation**

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual interests held by you or any household members that may be relevant to the topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing. Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topic Areas: COVID-19, hematuria, and cannabinoids

Within the past 3 years, have you or any household members published on any of the above areas? Please include both peer-reviewed and non-peer-reviewed sources (e.g., newspaper op-ed; blog).

☒ I have publications to report (please list in space below).

☐ I have no publications to report.

Do you or any household members have any other intellectual interests related to any of the above areas?

☐ I have interests to report (please list in space below).

☒ I have no interests to report.

If you answered yes to either of the above questions, please provide additional details on the relevant interests (if not already captured in the Convey System) and list any relevant publications in the space below (or send a list of relevant publications as attachment).

my only publications are all related to work with SMPC.

**American College of Physicians
Scientific Medical Policy Committee
Disclosure of Interests: Supplemental Questions and Attestation**

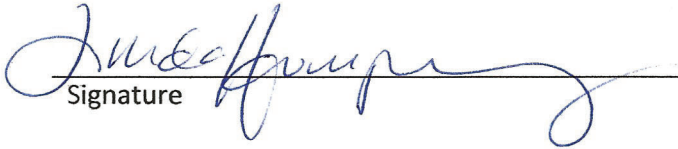

Acknowledgements and Attestations

By signing this form,

- I acknowledge that in order to maintain transparency, all participants' disclosure of interests will be publicly available on ACP's website and a link to the disclosures will be included in each published work.
- I attest that I have reviewed the attached Convey disclosures report and that my disclosures are up to date.
- I attest that I have disclosed all healthcare-related financial and intellectual interests for myself and any household members from the last 3 years and I will promptly disclose any changes. These include but are not limited to: research and consulting roles; investments and proprietary interests, and intellectual interests such as participation in workgroups, panels, or committees through other medical societies or healthcare organizations.

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

**American College of Physicians
Scientific Medical Policy Committee
Disclosure of Interests: Supplemental Questions and Attestation**

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual interests held by you or any household members that may be relevant to the topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing. Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topic Areas: COVID-19, hematuria, and cannabinoids

Within the past 3 years, have you or any household members published on any of the above areas? Please include both peer-reviewed and non-peer-reviewed sources (e.g., newspaper op-ed; blog).

☒ I have publications to report (please list in space below).

☐ I have no publications to report.

Do you or any household members have any other intellectual interests related to any of the above areas?

☒ I have interests to report (please list in space below).

☐ I have no interests to report.

If you answered yes to either of the above questions, please provide additional details on the relevant interests (if not already captured in the Convey System) and list any relevant publications in the space below (or send a list of relevant publications as attachment).

My COVID op-eds are listed in the Convey system, as are my husband's.

**American College of Physicians
Scientific Medical Policy Committee
Disclosure of Interests: Supplemental Questions and Attestation**

Acknowledgements and Attestations

By signing this form,

- I acknowledge that in order to maintain transparency, all participants' disclosure of interests will be publicly available on ACP's website and a link to the disclosures will be included in each published work.
- I attest that I have reviewed the attached Convey disclosures report and that my disclosures are up to date.
- I attest that I have disclosed all healthcare-related financial and intellectual interests for myself and any household members from the last 3 years and I will promptly disclose any changes. These include but are not limited to: research and consulting roles; investments and proprietary interests, and intellectual interests such as participation in workgroups, panels, or committees through other medical societies or healthcare organizations.

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Disclosure of Interests: Supplemental Questions and Attestation**

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual interests held by you or any household members that may be relevant to the topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing. Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topic Areas: COVID-19, hematuria, and cannabinoids

Within the past 3 years, have you or any household members published on any of the above areas? Please include both peer-reviewed and non-peer-reviewed sources (e.g., newspaper op-ed; blog).

☒ I have publications to report (please list in space below).

☐ I have no publications to report.

Do you or any household members have any other intellectual interests related to any of the above areas?

☐ I have interests to report (please list in space below).

☒ I have no interests to report.

If you answered yes to either of the above questions, please provide additional details on the relevant interests (if not already captured in the Convey System) and list any relevant publications in the space below (or send a list of relevant publications as attachment).

please see attached word doc

Cannabinoids:

Grants

Title: Systematically Testing the Evidence on Marijuana (STEM)

Source: VA Office of Rural Health, ORH-VRHRC-PDX-FY20

PI: Devan Kansagara MD MCR

Amount: \$1,300,000

Period: 2020-2022

% effort: 20

This grant supported the development of a website (www.cannabisevidence.org) which includes several peer-reviewed living systematic reviews conducted by our team on various cannabis related topics as well as a variety of clinician facing evidence materials. I have not listed all these separately.

Title: Living Systematic Review on Plant-based Treatment for Chronic Pain

Source: Agency for Healthcare Research and Quality (AHRQ), Contract No. 75Q80120D00006. EPC VI, Task Order 75Q80120F32002

PI: Roger Chou MD

Amount: \$322,976

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

**Disclosures of Interests: Supplemental Questions for Clinical Guidelines Committee and Scientific
Medical Policy Committee**

Please review the following topic areas and report any intellectual interests held by you or any household members that may be relevant to the topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing. Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topic Areas: depression, diabetes, colorectal cancer screening, COVID-19, hematuria, and cannabinoids

Within the past 3 years, have you or any household members published on any of the above areas? Please include both peer-reviewed and non-peer-reviewed sources (e.g., newspaper op-ed; blog).

☐ I have publications to report (please list in space below).

☒ I have no publications to report.

Do you or any household members have any other intellectual interests related to any of the above areas?

☐ I have interests to report (please list in space below).

☒ I have no interest to report.

If you answered yes to either of the above questions, please provide additional details on the relevant interests (if not already captured in the Convey System) and list any relevant publications in the space below (or send a list of relevant publications as attachment).

**American College of Physicians

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker’s bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

**American College of Physicians

Disclosure of Interests: Supplemental Questions and Attestation**

**Disclosures of Interests: Supplemental Questions for Clinical Guidelines Committee and Scientific
Medical Policy Committee**

Please review the following topic areas and report any intellectual interests held by you or any household members that may be relevant to the topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing. Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topic Areas: depression, diabetes, colorectal cancer screening, COVID-19, hematuria, and cannabinoids

Within the past 3 years, have you or any household members published on any of the above areas? Please include both peer-reviewed and non-peer-reviewed sources (e.g., newspaper op-ed; blog).

☐ I have publications to report (please list in space below).

☒ I have no publications to report.

Do you or any household members have any other intellectual interests related to any of the above areas?

☐ I have interests to report (please list in space below).

☒ I have no interest to report.

If you answered yes to either of the above questions, please provide additional details on the relevant interests (if not already captured in the Convey System) and list any relevant publications in the space below (or send a list of relevant publications as attachment).
