a. Are you submitting your disclosures to ACP as a member of one of the following groups:

- ACP board, committee, council, task force, and/or other governance group?
- Chapter Council or other Chapter leadership role?
- Annals of Internal Medicine editorial staff?
- Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

Yes (ACP board, committee, council, task force, and/or other governance group, Chapter Council or other Chapter leadership role, Annals of Internal Medicine editorial staff, Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's **Disclosure of Interests and Management of Conflicts Policy**.

Yes

ii. I, the undersigned, enter into the **Non-Disclosure Agreement** between myself and the American College of Physicians, which governs the disclosure and furnishing of ACP's members of the Board of Regents, Board of Governors, Committees, Councils, Governors-elect and Chapter Personnel in any such Work Group of ACP, with information developed for ACP, deemed "Proprietary Information."

Yes

iii. I, the undersigned, intending to be legally bound, hereby declare and agree to terms of participation in the ACP Group activities of ACP as specified in the **ACP Intellectual Property Policy**.

Yes

iv. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's **Anti-Harassment Policy**.

Yes

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations
- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other healthcare-related interests held by you or any household members from the last 3 years for the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Clinical Guidelines Committee and Population Health and Medical Sciences Committee: Topics Currently Under Development

For the topics below, please list any intellectual interests (including publications from peer- and non-peer-reviewed sources) or other interests not captured in your Convey.

You only need to report interests from the last 3 years and you do not need to report publications developed on behalf of ACP.

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Clinical Topic Area	Healthcare-Related Interests from Last 3 Years <i>If none, write “None”</i>
Anxiety	None
Breast Cancer	None

Additional Questions

1. Please specify any additional information which you consider relevant to this disclosure.
2. As part of ACP's disclosure process, ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, Staff Confidentiality Policy and Anti-Harassment Policy as determined by your College involvement.

a. Are you submitting your disclosures to ACP as a member of one of the following groups:

- ACP board, committee, council, task force, and/or other governance group?
- Chapter Council or other Chapter leadership role?
- Annals of Internal Medicine editorial staff?
- Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

Yes (ACP board, committee, council, task force, and/or other governance group, Chapter Council or other Chapter leadership role, Annals of Internal Medicine editorial staff, Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's **Disclosure of Interests and Management of Conflicts Policy**.

Yes

ii. I, the undersigned, enter into the **Non-Disclosure Agreement** between myself and the American College of Physicians, which governs the disclosure and furnishing of ACP's members of the Board of Regents, Board of Governors, Committees, Councils, Governors-elect and Chapter Personnel in any such Work Group of ACP, with information developed for ACP, deemed "Proprietary Information."

Yes

iii. I, the undersigned, intending to be legally bound, hereby declare and agree to terms of participation in the ACP Group activities of ACP as specified in the **ACP Intellectual Property Policy**.

Yes

iv. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's **Anti-Harassment Policy**.

Yes

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)

- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations
- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other healthcare-related interests held by you or any household members from the last 3 years for the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Population Health and Medical Sciences Committee: Topics Currently Under Development

For the topics below, please list any intellectual interests (including publications from peer- and non-peer-reviewed sources) or other interests not captured in your Convey.

You only need to report interests from the last 3 years and you do not need to report publications developed on behalf of ACP.

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Clinical Topic Area	Healthcare-Related Interests from Last 3 Years <i>If none, write “None”</i>
Dementia	My husband, Peter Huckfeldt, is a co-investigator on 2 dementia-related grants from the National Institute on Aging: 1. “The Impact of Medicare Advantage on Health Care Use, Management of Comorbid Conditions, and Inappropriate Medication Use, for Beneficiaries with Alzheimer’s Disease and its Related Dementias” (PI: Victoria Shier, USC) 2. “Home Health, ADRD, Telehealth, and Patient Outcomes” (PI: Dana Mukamel, UC Irvine) These papers have a dementia component: 1. Jutkowitz E, Mulachy JF, Huckfeldt P, et al. (2025). “The relationship between home and community-based services utilization and self-reported quality of life for community-dwelling and assisted living residents with and without dementia” <i>Innovation in Aging</i>. 9(11): igaf118. 2. Mulcahy J, Amjad H, Huckfeldt P, Gaugler JE, Neprash H. “Healthcare provider adoption of cognitive assessment and care planning services associated with uptake among peers.” <i>Alzheimer’s & Dementia: Behavior & Socioeconomics of Aging</i>. Forthcoming, 2026 3. Mukamel D, Saliba D, Ladd H, Clark M Nelson C, Roczen M, Sorkin DH, Zinn JS, Huckfeldt PJ. “Telehealth by Home Health Agencies Before, during, and After COVID-19” <i>Health Services</i>

Relevant Publications and Other Intellectual Interests for Ongoing Projects

	Research 60(5): e14646, 2025. Presentations at academic conferences: 1. “The Impact of Medicare Advantage on Healthcare Utilization for Beneficiaries with Dementia” 2026 American Society of Health Economics Annual Meeting and 2026 NBER Coordinating Center on the Economics of AD/ADRD Prevention, Treatment, and Care 2nd Annual Meeting 2. “The impacts of Medicare Advantage on long-term nursing home care, palliative care, and hospice for beneficiaries with dementia” 2025 American Society of Health Economics Annual Meeting 3. “The impacts of Medicare Advantage on medication adherence and polypharmacy among beneficiaries with dementia” 2024 American Society of Health Economists Annual Meeting and at Johns Hopkins University.
Prostate cancer	None

Additional Questions

1. Please specify any additional information which you consider relevant to this disclosure.
- None
2. As part of ACP's disclosure process, ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, Staff Confidentiality Policy and Anti-Harassment Policy as determined by your College involvement.
- a. Are you submitting your disclosures to ACP as a member of one of the following groups:
- ACP board, committee, council, task force, and/or other governance group?

• Chapter Council or other Chapter leadership role?

• Annals of Internal Medicine editorial staff?

• Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

Yes (ACP board, committee, council, task force, and/or other governance group, Chapter Council or other Chapter leadership role, Annals of Internal Medicine editorial staff, Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's **Disclosure of Interests and Management of Conflicts Policy**.

Yes

ii. I, the undersigned, enter into the **Non-Disclosure Agreement** between myself and the American College of Physicians, which governs the disclosure and furnishing of ACP's members of the Board of Regents, Board of Governors, Committees, Councils, Governors-elect and Chapter Personnel in any such Work Group of ACP, with information developed for ACP, deemed "Proprietary Information."

Yes

iii. I, the undersigned, intending to be legally bound, hereby declare and agree to terms of participation in the ACP Group activities of ACP as specified in the **ACP Intellectual Property Policy**.

Yes

iv. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's **Anti-Harassment Policy**.

Yes

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations
- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other healthcare-related interests held by you or any household members from the last 3 years for the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Population Health and Medical Sciences Committee: Topics Currently Under Development

For the topics below, please list any intellectual interests (including publications from peer- and non-peer-reviewed sources) or other interests not captured in your Convey.

You only need to report interests from the last 3 years and you do not need to report publications developed on behalf of ACP.

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Additional Questions

1. **Please specify any additional information which you consider relevant to this disclosure.**

There was an erroneous payment reported in Open Payments from 2021. Organon (which purchased Alydia Health the company that submitted the erroneous payment) has submitted a correction noting that no such payment exists or was made to Timothy Wilt. I have contacted CMS Open payments and they informed me that this erroneous payment will be removed once they update their database which will occur in mid-late 2025. The erroneous entry has been removed
2. **As part of ACP's disclosure process, ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, Staff Confidentiality Policy and Anti-Harassment Policy as determined by your College involvement.**

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations
- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other healthcare-related interests held by you or any household members from the last 3 years for the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topics Currently Under Development

For the topics below, please list any intellectual interests (including publications from peer- and non-peer-reviewed sources) or other interests not captured in your Convey.

You only need to report interests from the last 3 years and you do not need to report publications developed on behalf of ACP.

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write "see attachment" in table).

Clinical Topic Area	Healthcare-Related Interests from Last 3 Years <i>If none, write "None"</i>
Anxiety	none

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations

- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations
- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other healthcare-related interests held by you or any household members from the last 3 years for the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topics Currently Under Development

For the topics below, please list any intellectual interests (including publications from peer- and non-peer-reviewed sources) or other interests not captured in your Convey.

You only need to report interests from the last 3 years and you do not need to report publications developed on behalf of ACP.

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

N/A

2. As part of ACP's disclosure process, ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, Staff Confidentiality Policy and Anti-Harassment Policy as determined by your College involvement.

a. Are you submitting your disclosures to ACP as a member of one of the following groups:

- ACP board, committee, council, task force, and/or other governance group?
- Chapter Council or other Chapter leadership role?
- Annals of Internal Medicine editorial staff?
- Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

No (College or chapter staff)

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's [Staff Confidentiality Policy](#).

Yes

ii. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's [Disclosure of Interests and Management of Conflicts Policy](#).

Yes

iii. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's [Anti-Harassment Policy](#).

Yes

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations

- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations
- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other healthcare-related interests held by you or any household members from the last 3 years for the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topics Currently Under Development

For the topics below, please list any intellectual interests (including publications from peer- and non-peer-reviewed sources) or other interests not captured in your Convey.

You only need to report interests from the last 3 years and you do not need to report publications developed on behalf of ACP.

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).
