Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Please enter your name.

Name: Eileen Barrett

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.
