Additional Questions

1. Please specify any additional information which you consider relevant to this disclosure.

Medical Advisor to the local health department (Sangamon County Department of Public health)

2. As part of ACP's disclosure process, ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, Staff Confidentiality Policy and Anti-Harassment Policy as determined by your College involvement.

a. Are you submitting your disclosures to ACP as a member of one of the following groups:

ACP board, committee, council, task force, and/or other governance group?

Chapter Council or other Chapter leadership role?

Annals of Internal Medicine editorial staff?

Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

Yes (ACP board, committee, council, task force, and/or other governance group, Chapter Council or other Chapter leadership role, Annals of Internal Medicine editorial staff, Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's Disclosure of Interests and Management of Conflicts Policy.

Yes

ii. I, the undersigned, enter into the Non-Disclosure Agreement between myself and the American College of Physicians, which governs the disclosure and furnishing of ACP's members of the Board of Regents, Board of Governors, Committees, Councils, Governors-elect and Chapter Personnel in any such Work Group of ACP, with information developed for ACP, deemed "Proprietary Information."

Yes

iii. I, the undersigned, intending to be legally bound, hereby declare and agree to terms of participation in the ACP Group activities of ACP as specified in the [ACP Intellectual Property Policy](#).

Yes

iv. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's [Anti-Harassment Policy](#).

Yes

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations
- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Population Health and Medical Sciences Committee: Topics Currently Under Development

In the table below, please list any relevant intellectual interests (including relevant publications from peer- and non-peer-reviewed sources or other relevant interests not captured in your Convey.

You only need to report interests from the last 3 years and you do not need to report publications developed on behalf of ACP.

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Clinical Topic Area	Relevant Interests from Last 3 Years <i>If none, write “None”</i>
COVID-19	Post covid clinic and post covid support group- unique clinical service, multiple talks, interviews, panels and media appearances during the pandemic in my role as medical advisor to Sangamon county department of Public Health, IL
Prostate Cancer	None

Acknowledgements and Attestations

By signing this form,

- I acknowledge that in order to maintain transparency, all participants’ disclosure of interests will be publicly available on ACP’s website and a link to the disclosures will be included in each published work.
- I attest that I have reviewed the above topic areas and that my disclosures are up to date.

Additional Questions

1. Please specify any additional information which you consider relevant to this disclosure.

There is an erroneous payment reported in Open Payments from 2021. Organon (which purchased Alydia Health the company that submitted the erroneous payment) has submitted a correction noting that no such payment exists or was made to Timothy Wilt. I have contacted CMS Open payments and they informed me that this erroneous payment will be removed once they update their database which will occur in mid-late 2025.

2. As part of ACP's disclosure process, ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, Staff Confidentiality Policy and Anti-Harassment Policy as determined by your College involvement.

a. Are you submitting your disclosures to ACP as a member of one of the following groups:

- ACP board, committee, council, task force, and/or other governance group?
- Chapter Council or other Chapter leadership role?
- Annals of Internal Medicine editorial staff?
- Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

Yes (ACP board, committee, council, task force, and/or other governance group, Chapter Council or other Chapter leadership role, Annals of Internal Medicine editorial staff, Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's Disclosure of Interests and Management of Conflicts Policy.

Yes

ii. I, the undersigned, enter into the Non-Disclosure Agreement between myself and the American College of Physicians, which governs the disclosure and furnishing of ACP's Members of the Board of Regents, Board of Governors, Committees, Councils, Governors-elect and Chapter Personnel in any such Work Group of ACP, with information developed for ACP, deemed "Proprietary Information."

Yes

iii. I, the undersigned, intending to be legally bound, hereby declare and agree to terms of participation in the ACP Group activities of ACP as specified in the [ACP Intellectual Property Policy](#).

Yes

iv. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's [Anti-Harassment Policy](#).

Yes

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations
- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Additional Questions

1. Please specify any additional information which you consider relevant to this disclosure.

I have worked on a number of evidence reviews concerning internal medicine topics in the past 3 years, and was the senior author on the osteoporosis review for ACP.

2. As part of ACP's disclosure process, ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, Staff Confidentiality Policy and Anti-Harassment Policy as determined by your College involvement.

a. Are you submitting your disclosures to ACP as a member of one of the following groups:

■ ACP board, committee, council, task force, and/or other governance group?

■ Chapter Council or other Chapter leadership role?

■ Annals of Internal Medicine editorial staff?

■ Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

Yes (ACP board, committee, council, task force, and/or other governance group, Chapter Council or other Chapter leadership role, Annals of Internal Medicine editorial staff, Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's Disclosure of Interests and Management of Conflicts Policy.

Yes

ii. I, the undersigned, enter into the Non-Disclosure Agreement between myself and the American College of Physicians, which governs the disclosure and furnishing of ACP's members of the Board of Regents, Board of Governors, Committees, Councils, Governors-elect and Chapter Personnel in any such Work Group of ACP, with information developed for ACP, deemed "Proprietary Information."

Yes

iii. I, the undersigned, intending to be legally bound, hereby declare and agree to terms of participation in the ACP Group activities of ACP as specified in the ACP Intellectual Property Policy.

Yes

iv. **I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's Anti-Harassment Policy.**

Yes

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations
- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations
- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topics Currently Under Development

In the table below, please list any relevant intellectual interests (including relevant publications from peer- and non-peer-reviewed sources or other relevant interests not captured in your Convey.

You only need to report interests from the last 3 years and you do not need to report publications developed on behalf of ACP.

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Category: Other End Date: Compensation Type: Unpaid Compensation: No Additional Information: COVID-19 Caring About Health for All Study (CHAMPS) funded with in-kind funding in the amount of \$50,000 USD. A longitudinal study to assess the experience and self-reported health and well-being of essential workers and first responders, service staff, and healthcare professionals who provided support for patients, treatment sites and the community during the COVID-19 pandemic in the short and long-term. CHAMPS will also serve as a registry for future, ancillary- and sub-studies. Start Date: 03/20/2020			

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations
- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topics Currently Under Development

In the table below, please list any relevant intellectual interests (including relevant publications from peer- and non-peer-reviewed sources or other relevant interests not captured in your Convey.

You only need to report interests from the last 3 years and you do not need to report publications developed on behalf of ACP.

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Clinical Topic Area	Relevant Interests from Last 3 Years <i>If none, write “None”</i>
Anxiety	
Back pain	
Breast Cancer	
Colorectal cancer	
COVID-19	Please see ORCID ID: 0000-0002-3170-1956
Depression	
Diabetes	Please see ORCID ID: 0000-0002-3170-1956
Diverticulitis	
Headache	
Hyperlipidemia	
Hypertension	
Insomnia	
Menopausal Therapy	
Migraine	
Musculoskeletal pain	
Obesity	
Osteoporosis	
Prostate Cancer	
Rhinosinusitis	

Acknowledgements and Attestations

By signing this form,

- I acknowledge that in order to maintain transparency, all participants’ disclosure of interests will be publicly available on ACP’s website and a link to the disclosures will be included in each published work.

Relevant Publications and Other Intellectual Interests for Ongoing Projects

- I attest that I have reviewed the above topic areas and that my disclosures are up to date.

RESEARCH PROJECTS (selected)

- | | |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1999 – 2012 | US Influenza Surveillance System - in collaboration with the Centers for Disease Control and the Massachusetts Department of Public Health |
| 2001 – 2004 | Comparison of PEG interferon alfa-2b plus ribavirin given as a fixed dose or on a weight optimized basis for treatment of chronic hepatitis C in previously treatment-naïve subjects (WIN-R trial). Sub-investigator. |
| 2004 – 2008 | A retrospective chart review of subjects diagnosed with hepatitis and/or HIV for risk factors and co-infection. Co-investigator. |
| 2005 – 2008 | A randomized, double-blind study of GT267-004 vs. vancomycin, and GT267-004 vs. metronidazole, in patients with <i>C. difficile</i> -associated diarrhea. Genzyme, Inc. Primary Investigator (local). http://cid.oxfordjournals.org/content/59/3/345.full.pdf and http://cid.oxfordjournals.org/content/suppl/2014/05/05/ciu313.DC1 |

- 2011 – present A long term follow-up Registry for subjects who achieve a Sustained Virologic Response to Treatment in Gilead-Sponsored Trials in Subjects with Chronic Hepatitis C Infection. (Protocol GS-US-248-0122). Gilead. Primary Investigator (local).
- 2011 – 2014 A long term follow-up Registry for subjects who did not achieve a Sustained Virologic Response to treatment in Gilead-Sponsored Trials in Subjects with Chronic Hepatitis C Infection. (Protocol GS-US-248-0123). Gilead. Primary Investigator (local).
- 2012 – 2013 A randomized study to evaluate comparative effectiveness, inpatient resource utilization and cost of daptomycin vs. vancomycin in the treatment of patients with complicated skin and skin structure infections due to suspected or documented methicillin-resistant *Staphylococcus aureus* (MRSA). Cubist. Primary Investigator (local).
- 2012 – 2013 Non-interventional, prospective, cohort study of the effectiveness, safety, and utilization of two approved pegylated interferon-based direct acting antiviral triple therapies in the management of genotype 1 chronic hepatitis C in routine clinical practice in the USA. Genentech. Primary Investigator (local).
- 2012 – 2013 A randomized double-blind active-controlled study of CB-183315 in patients with *Clostridium difficile* associated diarrhea. Cubist. Primary Investigator (local).
- 2012 – 2013 A phase 3, multicenter, randomized, active-controlled study to investigate the safety and efficacy of GS-7977 and ribavirin for 12 weeks compared to pegylated interferon and ribavirin for 24 weeks in treatment-naïve patients with chronic genotype 2 or 3 HCV infection. Gilead. Primary Investigator (local).
- 2013 – 2017 Radiofrequency identification and tagging of devices to assess reduction in device-related infections in hospital. Korchek. (Primary Investigator).
- 2017 – present Mino-Lok™ (Minocycline-EDTA in 19.5% w/v [25% v/v] Ethanol) Catheter Lock Solution. Leonard-Meron Biosciences, Inc. Primary Investigator (local).
- 2019 – present A Phase 3, randomized, double-blind, active controlled study to compare the efficacy and safety of ridinilazole (200 mg, bid) for 10 days with vancomycin (125 mg, qid) for 10 days in the treatment of *Clostridium difficile* infection (CDI). Summit (Oxford, UK). Primary Investigator (local).
- 2019 – present Identifying the utility of pro-BNP as a marker for heart failure readmission in a Community-based setting. (Primary Investigator: Anjani Muthyala)
