McClung Foundation	Grant / Contract	Self	\$334000.00						
<p>Recipient Name: Andrew Dunn Grant / Contract Description: Grant to fund study of innovative lighting on sleep for hospitalized patients Contract Start Date: 11/01/2019 Grant / Contract Amount:\$334,000.00 Additional Information:</p> <p>Recipient Type: Institution Grant / Contract Purpose: Research Grant / Contract Valuation Date: 12/30/2019 Contract End Date: Ongoing / No Known End Date</p>									
National Institute of Health	Grant / Contract	Self	\$15000.00						
<p>Recipient Name: Andrew Dunn Grant / Contract Description: Co-investigator, 5% funded role Contract Start Date: 05/01/2020 Grant / Contract Amount:\$15,000.00 Additional Information: Grant initiated Sept 2018. I was added as co-Investigator May 2020.</p> <p>Recipient Type: Institution Grant / Contract Purpose: Research Grant / Contract Valuation Date: 08/10/2020 Contract End Date:</p>									

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing. Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topics Currently Under Development

Clinical Topic Area	Intellectual (including relevant publications from peer- and non-peer-reviewed sources) or Other Relevant Interests <i>Report from last 3 years only. You do not need to report publications you developed on behalf of ACP. If none, write "None"</i>

Disclosure Purpose:

Annual Governance Disclosure 2023-24, Population Health Committee

Employment Information:

Currently Retired/Unemployed

Summary of Interests

I do not have any interests to disclose at this time.

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing. Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing. Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topics Currently Under Development

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing. Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topics Currently Under Development

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.

Clinical Guidelines Committee: Topics Currently Under Development

Clinical Topic Area	Intellectual (including relevant publications from peer- and non-peer-reviewed sources) or Other Relevant Interests <i>Report from last 3 years only. You do not need to report publications you developed on behalf of ACP. If none, write "None"</i>

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.

Clinical Guidelines Committee: Topics Currently Under Development

Clinical Topic Area	Intellectual (including relevant publications from peer- and non-peer-reviewed sources) or Other Relevant Interests <i>Report from last 3 years only. You do not need to report publications you developed on behalf of ACP. If none, write "None"</i>

Additional Questions

1. Please specify any additional information which you consider relevant to this disclosure.

I am a report author on 3 ongoing Cochrane reviews. No compensation is attached to this work. I chair the GIN Performance Measures Working Group

2. ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, and Anti-Harassment Policy if you're submitting your disclosures to ACP as a member of an ACP governance group or as College staff, as part of ACP's annual disclosure process.

a. Are you submitting your disclosures to ACP as a member of one of the following groups:

- ACP board, committee, council, task force, and/or other governance group?
- Chapter Council or other Chapter leadership role?
- National or chapter staff?
- Annals of Internal Medicine editorial staff?
- Other (meeting guests, contractors, authors, etc.)

Yes.

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's Disclosure of Interests and Management of Conflicts Policy.
