Additional Questions

1. **Please specify any additional information which you consider relevant to this disclosure.**

There was an erroneous payment reported in Open Payments from 2021. Organon (which purchased Alydia Health the company that submitted the erroneous payment) has submitted a correction noting that no such payment exists or was made to Timothy Wilt. I have contacted CMS Open payments and they informed me that this erroneous payment will be removed once they update their database which will occur in mid-late 2025. The erroneous entry has been removed

Performance Measurement Committee: Topic Areas for Measure Review

For the topics below, please list any intellectual interests (including publications from peer- and non-peer-reviewed sources), measure development projects (development, testing, and/or maintenance), or other interests not captured in your Convey.

You only need to report interests from the last 3 years and you do not need to report publications developed on behalf of ACP.

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write "see attachment" in table).

Clinical Topic Area	Healthcare-Related Interests from Last 3 Years If none, write "None"
Atrial Fibrillation	None
Cardiovascular Disease	None
Coronary Artery Disease/Ischemic Vascular Disease	None
Heart Failure (including left ventricular ejection fraction/left ventricular systolic dysfunction)	None
Myocardial Infarction	None

Acknowledgements and Attestations

By signing this form,

- I acknowledge that in order to maintain transparency, all participants' disclosure of interests will be publicly available on ACP's website and a link to the disclosures will be included in each published work.
- I attest that I have reviewed the above topic areas and that my disclosures are up to date.
