<i>Title:</i> executive director Huntington Hospital <i>Start Date:</i> 10/03/2018		<i>Position Description:</i> executive director <i>Additional Information:</i>	<i>End Date:</i> Ongoing / No Known End Date

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual interests held by you or any household members that may be relevant to the topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing. Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topic Areas: depression, diabetes, and colorectal cancer screening.

Within the past 3 years, have you or any household members published on any of the areas? Please include both peer-reviewed and non-peer-reviewed sources (e.g., newspaper op-ed; blog).

I have publications to report (please list in space below).

I have no publications to report.

Do you or any household members have any other intellectual interests related to any of the areas above?

I have interests to report (please list in space below).

I have no interest to report.

If you answered yes to either of the above questions, please provide additional details on the relevant interests (if not already captured in the Convey System) and list any relevant publications in the space below (or send a list of relevant publications as attachment).

**American College of Physicians
Clinical Guidelines Committee
Disclosure of Interests: Supplemental Questions and Attestation**

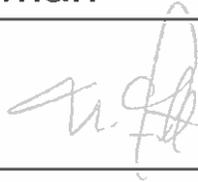

Acknowledgements and Attestations

By signing this form,

- I acknowledge that in order to maintain transparency, all participants' disclosure of interests will be publicly available on ACP's website and a link to the disclosures will be included in each published work.
- I attest that I have reviewed the attached Convey disclosures report and that my disclosures are up to date.
- I attest that I have disclosed all healthcare-related financial and intellectual interests for myself and any household members from the last 3 years and I will promptly disclose any changes. These include but are not limited to: research and consulting roles; investments and proprietary interests, and intellectual interests such as participation in workgroups, panels, or committees through other medical societies or healthcare organizations.

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

**American College of Physicians
Department of Clinical Policy
Disclosure of Interests: Supplemental Questions and Attestation**

**Disclosures of Interests: Supplemental Questions for Clinical Guidelines Committee and Scientific
Medical Policy Committee**

Please review the following topic areas and report any intellectual interests held by you or any household members that may be relevant to the topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing. Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topic Areas: depression, diabetes, colorectal cancer screening, COVID-19, hematuria, and cannabinoids

Within the past 3 years, have you or any household members published on any of the above areas? Please include both peer-reviewed and non-peer-reviewed sources (e.g., newspaper op-ed; blog).

I have publications to report (please list in space below).

I have no publications to report.

Do you or any household members have any other intellectual interests related to any of the above areas?

I have interests to report (please list in space below).

I have no interest to report.

If you answered yes to either of the above questions, please provide additional details on the relevant interests (if not already captured in the Convey System) and list any relevant publications in the space below (or send a list of relevant publications as attachment).

Please find attached.

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Disclosure of Interests: Supplemental Questions and Attestation**

**Disclosures of Interests: Supplemental Questions for Clinical Guidelines Committee and Scientific
Medical Policy Committee**

Please review the following topic areas and report any intellectual interests held by you or any household members that may be relevant to the topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing. Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topic Areas: depression, diabetes, colorectal cancer screening, COVID-19, hematuria, and cannabinoids

Within the past 3 years, have you or any household members published on any of the above areas? Please include both peer-reviewed and non-peer-reviewed sources (e.g., newspaper op-ed; blog).

I have publications to report (please list in space below).

I have no publications to report.

Do you or any household members have any other intellectual interests related to any of the above areas?

I have interests to report (please list in space below).

I have no interest to report.

If you answered yes to either of the above questions, please provide additional details on the relevant interests (if not already captured in the Convey System) and list any relevant publications in the space below (or send a list of relevant publications as attachment).

Disclosures of Interests: Supplemental Questions for Performance Measurement Committee

Please review the following measures or topic areas and report any intellectual interests held by you or any household members that may be relevant to the measures or topic areas under discussion.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing. Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Topic Areas: osteoporosis

Please review the list of measures in the attached Word/Excel document and other topic areas listed above. The PMC will review these measures and other topics during the upcoming meeting.

Within the last 3 years, have you or any household members contributed towards the development, testing and/or maintenance of one of these measures or a competing measure (measure on the same topic)?

- Yes (please provide additional details below). n/a (no clinical topics or specific measures under discussion on upcoming agenda)
- No

Within the last 3 years, have you or any household members published on any of the clinical topic areas covered by these measures or other topics areas? Please include both peer-reviewed and non-peer-reviewed sources (e.g., newspaper op-ed; blog)

- Yes (please provide additional details below). n/a (no clinical topics or specific measures under discussion on upcoming agenda)
- No

If you answered yes to either question above, please list any relevant measures publications in space below (or send list of relevant measures/publications as attachment). Otherwise, you may leave blank.

Acknowledgements and Attestations

By signing this form,

- I acknowledge that in order to maintain transparency, all participants' disclosure of interests will be publicly available on ACP's website and a link to the disclosures will be included in each published work.
- I attest that I have reviewed the attached Convey disclosures report and that my disclosures are up to date.
- I attest that I have disclosed all healthcare-related financial and intellectual interests for myself and any household members from the last 3 years and I will promptly disclose any changes. These include but are not limited to: research and consulting roles; investments and proprietary interests, and intellectual interests such as participation in workgroups, panels, or committees through other medical societies or healthcare organizations.
