## Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Please enter your name.

Name: Eileen Barrett

### Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.

### Clinical Guidelines Committee: Topics Currently Under Development

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Other Relevant Intellectual Interests <i>Report from last 3 years only. If none, write "None"</i>
Menopausal Therapy	None
Hypertension	None
Obesity	None
Colorectal Cancer	None
Type 2 Diabetes	None
Migraine	None

## Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Please enter your name.

Name:

### Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.

### Clinical Guidelines Committee: Topics Currently Under Development

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Other Relevant Intellectual Interests <i>Report from last 3 years only. If none, write "None"</i>
Menopausal Therapy	
Hypertension	
Obesity	
Colorectal Cancer	
Type 2 Diabetes	
Migraine	
Osteoporosis	
Depression	
COVID-19	
Cannabis	

### Population Health Medical Science Committee: Topics Currently Under Development

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Other Relevant Intellectual Interests <i>Report from last 3 years only. If none, write "None"</i>
COVID-19	
Cannabis	

### Performance Measurement Committee: Topic Areas for Measure Review

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Measure Development Projects (Development, Testing, and/or Maintenance)  <i>Report from last 3 years only. If none, write "None". If yes, please provide additional details next to the relevant topic.</i>
Diabetes	
Depression	
Acute Pain	

## Acknowledgements and Attestations

*By signing this form,*

- I acknowledge that in order to maintain transparency, all participants' disclosure of interests will be publicly available on ACP's website and a link to the disclosures will be included in each published work.
- I attest that I have reviewed the above topic areas and that my disclosures are up to date.

## Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Please enter your name.

Name: Tatyana A Shamliyan

### Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.

### Clinical Guidelines Committee: Topics Currently Under Development

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Other Relevant Intellectual Interests <i>Report from last 3 years only. If none, write "None"</i>
Menopausal Therapy	None
Hypertension	None
Obesity	None
Colorectal Cancer	None
Type 2 Diabetes	None

## Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Please enter your name:

Name: Janice Tufte

### Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

### Clinical Guidelines Committee: Topics Currently Under Development

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Other Relevant Intellectual Interests <i>Report from last 3 years only. If none, write "None"</i>
Menopausal Therapy	None
Hypertension	None
Obesity	None
Colorectal Cancer	None
Type 2 Diabetes	None
Migraine	None
Osteoporosis	None
Depression	None

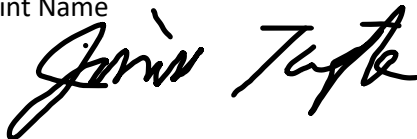

### Acknowledgements and Attestations

By signing this form,

- I acknowledge that in order to maintain transparency, all participants' disclosure of interests will be publicly available on ACP's website and a link to the disclosures will be included in each published work.
- I attest that I have reviewed the above topic areas and that my disclosures are up to date.

Janice Tufte
