

Disclosure Purpose: Annual Governance Disclosure 2025-26, Disclosure for Continued Leadernet Access

Employment Information: Currently Employed

Summary of Interests

Company or Organization

Entity	Type	Interest Held By	Value
MedStar Health	Employment Current Employment	Self	-

Title: Senior Director, IT Quality and Safety
Start Date: 07/01/1995

Additional Information:

Position Description: I manage regulatory quality submissions for MedStar Health for the Medicare QPP, and serve an advisory role within Quality and Safety for our performance contracts with 3rd party payers
End Date: Ongoing / No Known End Date

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations
- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas. You do not need to report publications developed on behalf of ACP.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
 - Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.
- *Financial interests* are defined as any payments received in exchange for services or any financial value derived from holdings
 - Examples of financial interests include stock ownership, excluding diversified funds, such as mutual funds

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Performance Measurement Committee: Topic Areas for Measure Review

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Measure Development Projects (Development, Testing, and/or Maintenance) <i>Report from last 3 years only. If none, write “None”. If yes, please provide additional details next to the relevant topic.</i>

Additional Questions

1. Please specify any additional information which you consider relevant to this disclosure.

All research funding and consulting is from the U.S. governmental agencies or professional organizations

2. As part of ACP's disclosure process, ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, Staff Confidentiality Policy and Anti-Harassment Policy as determined by your College involvement.

a. Are you submitting your disclosures to ACP as a member of one of the following groups:

- **ACP board, committee, council, task force, and/or other governance group?**
- **Chapter Council or other Chapter leadership role?**
- **Annals of Internal Medicine editorial staff?**
- **Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)**

Yes (ACP board, committee, council, task force, and/or other governance group, Chapter Council or other Chapter leadership role, Annals of Internal Medicine editorial staff, Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's [Disclosure of Interests and Management of Conflicts Policy](#).

Yes

ii. I, the undersigned, enter into the [Non-Disclosure Agreement](#) between myself and the American College of Physicians, which governs the disclosure and furnishing of ACP's members of the Board of Regents, Board of Governors, Committees, Councils, Governors-elect and Chapter Personnel in any such Work Group of ACP, with information developed for ACP, deemed "Proprietary Information."

Yes

iii. I, the undersigned, intending to be legally bound, hereby declare and agree to terms of participation in the ACP Group activities of ACP as specified in the [ACP Intellectual Property Policy](#).

Yes

iv. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's [Anti-Harassment Policy](#).

Yes

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations
- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas. You do not need to report publications developed on behalf of ACP.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
 - Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.
- *Financial interests* are defined as any payments received in exchange for services or any financial value derived from holdings
 - Examples of financial interests include stock ownership, excluding diversified funds, such as mutual funds

Performance Measurement Committee: Topic Areas for Measure Review

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Measure Development Projects (Development, Testing, and/or Maintenance) <i>Report from last 3 years only. If none, write “None”. If yes, please provide additional details next to the relevant topic.</i>
Back pain	I have led numerous systematic reviews funded by AHRQ, FDA, and WHO on low back pain topics. I also was editor for Cochrane Back and Neck and Cochrane Musculoskeletal and author several low back pain topics for UpToDate. I am currently funded by FDA to develop a guideline on acute LBP.
Colorectal cancer	
Diabetes	I co-authored a systematic review funded by AHRQ for the USPSTF on screening for gestational diabetes
Diverticulitis	
Headache	
Migraine	
Musculoskeletal pain	See back pain above. I have also led systematic reviews funded by AHRQ on acute pain and chronic pain that includes non-back musculoskeletal pain and led reviews for and co-authored the CDC guideline on opioids for chronic pain (including musculoskeletal pain).

Acknowledgements and Attestations

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas. You do not need to report publications developed on behalf of ACP.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
 - Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.
- *Financial interests* are defined as any payments received in exchange for services or any financial value derived from holdings
 - Examples of financial interests include stock ownership, excluding diversified funds, such as mutual funds

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations
- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas. You do not need to report publications developed on behalf of ACP.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
 - Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.
- *Financial interests* are defined as any payments received in exchange for services or any financial value derived from holdings
 - Examples of financial interests include stock ownership, excluding diversified funds, such as mutual funds

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Performance Measurement Committee: Topic Areas for Measure Review

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Measure Development Projects (Development, Testing, and/or Maintenance) <i>Report from last 3 years only. If none, write “None”. If yes, please provide additional details next to the relevant topic.</i>

- Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas. You do not need to report publications developed on behalf of ACP.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
 - Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.
- *Financial interests* are defined as any payments received in exchange for services or any financial value derived from holdings
 - Examples of financial interests include stock ownership, excluding diversified funds, such as mutual funds

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Performance Measurement Committee: Topic Areas for Measure Review

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Measure Development Projects (Development, Testing, and/or Maintenance) <i>Report from last 3 years only. If none, write “None”. If yes, please provide additional details next to the relevant topic.</i>
Back pain	None
Colorectal cancer	None
Diabetes	None

End Date: Ongoing / No Known End Date

Additional Questions

1. Please specify any additional information which you consider relevant to this disclosure.

I have worked on a number of evidence reviews concerning internal medicine topics in the past 3 years, and was the senior author on the osteoporosis review for ACP.

2. As part of ACP's disclosure process, ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, Staff Confidentiality Policy and Anti-Harassment Policy as determined by your College involvement.

a. Are you submitting your disclosures to ACP as a member of one of the following groups:

■ ACP board, committee, council, task force, and/or other governance group?

■ Chapter Council or other Chapter leadership role?

■ Annals of Internal Medicine editorial staff?

■ Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

Yes (ACP board, committee, council, task force, and/or other governance group, Chapter Council or other Chapter leadership role, Annals of Internal Medicine editorial staff, Other (meeting guests, contractors, authors, speakers, project contributors, peer reviewers, etc.)

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's Disclosure of Interests and Management of Conflicts Policy.

Yes

ii. I, the undersigned, enter into the Non-Disclosure Agreement between myself and the American College of Physicians, which governs the disclosure and furnishing of ACP's members of the Board of Regents, Board of Governors, Committees, Councils, Governors-elect and Chapter Personnel in any such Work Group of ACP, with information developed for ACP, deemed "Proprietary Information."

Yes

iii. I, the undersigned, intending to be legally bound, hereby declare and agree to terms of participation in the ACP Group activities of ACP as specified in the ACP Intellectual Property Policy.

Yes

iv. **I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's Anti-Harassment Policy.**

Yes

Certification

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas. You do not need to report publications developed on behalf of ACP.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
 - Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.
- *Financial interests* are defined as any payments received in exchange for services or any financial value derived from holdings
 - Examples of financial interests include stock ownership, excluding diversified funds, such as mutual funds

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Performance Measurement Committee: Topic Areas for Measure Review

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Measure Development Projects (Development, Testing, and/or Maintenance) <i>Report from last 3 years only. If none, write “None”. If yes, please provide additional details next to the relevant topic.</i>
Back pain	
Colorectal cancer	
Diabetes	
Diverticulitis	
Headache	
Migraine	
Musculoskeletal pain

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas. You do not need to report publications developed on behalf of ACP.

- ☐ *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
 - Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.
- ☐ *Financial interests* are defined as any payments received in exchange for services or any financial value derived from holdings
 - Examples of financial interests include stock ownership, excluding diversified funds, such as mutual funds

You may also share a list of publications via a link to list of your published works (such as ORCID or PubMed) or as an attachment (write “see attachment” in table).

Performance Measurement Committee: Topic Areas for Measure Review

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Measure Development Projects (Development, Testing, and/or Maintenance) <i>Report from last 3 years only. If none, write “None”. If yes, please provide additional details next to the relevant topic.</i>
Back pain	
Colorectal cancer	
Diabetes	
Diverticulitis	
Headache	
Migraine	
Musculoskeletal pain
