Additional Questions

1. Please specify any additional information which you consider relevant to this disclosure.

I hold several non-profit unpaid volunteer Board of Directors roles for community organization (Asian Task Force Against Domestic Violence, National Association of Asian American Professionals-Boston Chapter, Massachusetts Asian Pacific Islanders for Health [MAP for Health]), none of which present any COI. I hold numerous unpaid Committee roles for national ACP.

2. ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, and Anti-Harassment Policy if you're submitting your disclosures to ACP as a member of an ACP governance group or as College staff, as part of ACP's annual disclosure process.

a. Are you submitting your disclosures to ACP as a member of one of the following groups:

- ACP board, committee, council, task force, and/or other governance group?
- Chapter Council or other Chapter leadership role?
- National or chapter staff?
- Annals of Internal Medicine editorial staff?
- Other (meeting guests, contractors, authors, etc.)

Yes.

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's **Disclosure of Interests and Management of Conflicts Policy**.

Yes

ii. I, the undersigned, enter into the **Non-Disclosure Agreement** between myself and the American College of Physicians, which governs the disclosure and furnishing of ACP's members of the Board of Regents, Board of Governors, Committees, Councils, Governors-elect and Chapter Personnel in any such Work Group of ACP, with information developed for ACP, deemed "Proprietary Information."

Yes

iii. I, the undersigned, intending to be legally bound, hereby declare and agree to terms of participation in the ACP Group activities of ACP as specified in the **ACP Intellectual Property Policy**.

Yes

iv. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's **Anti-Harassment Policy**.

Yes

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

Yes

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.
- *Financial interests* are defined as any payments received in exchange for services or any financial value derived from holdings
- Examples of financial interests include stock ownership, excluding diversified funds, such as mutual funds

Performance Measurement Committee: Topic Areas for Measure Review

Clinical Topic Area	Relevant Publications (Peer- and Non-Peer-Reviewed Sources) or Measure Development Projects (Development, Testing, and/or Maintenance)
	<i>Report from last 3 years only. If none, write "None". If yes, please provide additional details next to the relevant topic.</i>
Diverticulitis	None
Colonoscopy	None
Colorectal Cancer	None
Depression	None
Acute Pain	None

Acknowledgements and Attestations

By signing this form,

- I acknowledge that in order to maintain transparency, all participants' disclosure of interests will be publicly available on ACP's website and a link to the disclosures will be included in each published work.
- I attest that I have reviewed the above topic areas and that my disclosures are up to date.

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.

Additional Questions

1. Please specify any additional information which you consider relevant to this disclosure.

I co-own a coding consulting business with my spouse.

2. ACP requires your annual affirmation to abide by its Disclosure of Interests and Management of Conflicts Policy, Non-Disclosure Agreement, Intellectual Property Policy, and Anti-Harassment Policy if you're submitting your disclosures to ACP as a member of an ACP governance group or as College staff, as part of ACP's annual disclosure process.

a. Are you submitting your disclosures to ACP as a member of one of the following groups:

ACP board, committee, council, task force, and/or other governance group?

Chapter Council or other Chapter leadership role?

National or chapter staff?

Annals of Internal Medicine editorial staff?

Other (meeting guests, contractors, authors, etc.)

Yes.

i. I, the undersigned, acknowledge I have read and agree to abide by the American College of Physician's Disclosure of Interests and Management of Conflicts Policy.

Yes

ii. I, the undersigned, enter into the Non-Disclosure Agreement between myself and the American College of Physicians, which governs the disclosure and furnishing of ACP's members of the Board of Regents, Board of Governors, Committees, Councils, Governors-elect and Chapter Personnel in any such Work Group of ACP, with information developed for ACP, deemed "Proprietary Information."

Yes

iii. I, the undersigned, intending to be legally bound, hereby declare and agree to terms of participation in the ACP Group activities of ACP as specified in the ACP Intellectual Property Policy.

Yes

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, membership in special interest groups, or the development, testing and/or maintenance of performance measures in these areas.

Clinical Guidelines Committee: Topics Currently Under Development

Clinical Topic Area	Intellectual (including relevant publications from peer- and non-peer-reviewed sources) or Other Relevant Interests <i>Report from last 3 years only. You do not need to report publications you developed on behalf of ACP. If none, write "None"</i>

Certification

By submitting this form, I attest that I have disclosed all interests related to healthcare from the last 3 years on behalf of myself and any household members, including consideration of interests in the following areas:

- Research and consulting support (e.g., grants, contracts, sponsorships, honoraria, or any other fees related to role as consultant, speaker's bureau participation, or expert as part of regulatory, legislative, or judicial process)
- Investments and proprietary interests excluding broadly diversified investments such as mutual or pension funds (e.g., stocks, bonds, stock options, commercial business interests, patents, trademarks, copyrights)
- Membership on boards, workgroups, panels, or committees through other medical societies or healthcare organizations
- Participation in advocacy or lobbying activities, including any roles or relationships with disease advocacy organizations

Other aspects of my background or present interests not addressed above that might be perceived as affecting my objectivity or independence

Relevant Publications and Other Intellectual Interests for Ongoing Projects

Disclosures of Interests: Supplemental Questions

Please review the following topic areas and report any intellectual or other relevant interests held by you or any household members from the last 3 years that may be relevant to the below topic areas.

- *Intellectual interests* are defined as academic ideas or activities or specific viewpoints and relate to such issues as academic advancement, clinical revenue streams, or community standing.
- Examples of types of intellectual interests include publications, unpaid participation on workgroups, panels, or committees, or membership in special interest groups.

Clinical Guidelines Committee: Topics Currently Under Development

Clinical Topic Area	Intellectual (including relevant publications from peer- and non-peer-reviewed sources) or Other Relevant Interests <i>Report from last 3 years only. You do not need to report publications you developed on behalf of ACP. If none, write "None"</i>
