**#IMProud**  
to be a **Woman in Medicine**  
in Texas

With my mother's and grandmother's encouragement, I started medical school *after* having made my career as a teacher. My best days are when I get to *teach* patients.

**#IMProud**  
to be a **Woman in Medicine**  
in Texas because...

We lift each other up, hold each other accountable, and are in it for the patients.

**#IMProud**  
to be a **Woman in Medicine**  
in Texas because...

Examples of amazing women inspired me to never question my dream. I hope I inspire other little girls in the same way. I change lives while saving lives.

**#IMProud**  
to be a **Woman in Medicine**  
in Texas because...

As a woman, compassion and creativity come naturally to me. This helps me provide holistic care to patients by integrating the art and science of medicine.
