GOVERNOR’S LETTER

Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next annual meeting of the Massachusetts Chapter of the American College of Physicians (ACP), being held Saturday, November 19, 2016, at the Massachusetts Medical Society headquarters.

This meeting is not just for ACP members. I want to particularly invite non-members and those that have attended a national ACP meeting or other medical specialty meetings, as this meeting provides an opportunity to hear the latest in health care and public policy, especially as it pertains to your practice and our profession locally.

In addition to earning 5.75 CME credits, you will also do the following:

- Learn about clinical pearls around challenging issues
- Earn Maintenance of Certification (MOC) points
- Join your colleagues in discussing physician wellness and connecting art and medicine
- Greet old friends, meet new ones, and develop a network of colleagues in our area

Between scientific sessions, please visit the college table. You will find information on new ACP programs, products, and services. This is a particularly exciting time as a number of electronic resources are available for your handheld devices — at no additional cost to members. We also invite you to visit with our exhibitors for their latest information.

To ensure your place at this invaluable meeting, register now by visiting www.acponline.org/chapters/ma/news_meet.htm and completing the easy online registration form. You may also complete the form at the back of this brochure and send it by mail or fax. This meeting brings a unique blend of health policy and clinical practice updates, all in one place. Please contact us with any questions.

I look forward to seeing you in Waltham.

Sincerely,

George M. Abraham, MD, MPH, FACP
ACP Governor, Massachusetts Chapter

Laureate Award

It is with distinct pleasure that the
Massachusetts Chapter will present the
Laureate Award again this year. Laureate
Award winners are long-standing and
loyal supporters of the College who
have rendered distinguished service to
their chapters and community and have
upheld the high ideals and professional
standards for which the College is
known. The award will be presented
during lunch.

Residents' and Medical Students' Activities

The selected posters, prepared by
resident and medical student members
from Poster Day, will be presented
and judged at the meeting for final
awards. Oral presentations prepared
by residents will also be presented.
Winners will receive cash prizes and be
eligible for entrance into the national
competition held during Internal
Medicine 2017 in San Diego, CA.

New this year — Doctor's Dilemma will
be held in the *morning* of the Annual
Chapter Meeting beginning at 8:30 a.m.
For more information and to submit
your residency program teams, contact
Lynda Layer at llayer@mms.org by
October 3.

If you are interested in becoming
a member of the College, please
contact the Member and Customer
Service Department at (800) 523-
1546, ext. 2600, or (215) 351-2600
(Monday–Friday, 9 a.m.–5 p.m. ET).

Attendance at chapter meetings
can help all ACP members meet
the qualifications for advancement
to fellowship. It is especially
important for those applying under
the pathway that calls for five years
of activity as a member.

Who Should Attend

- General internists
- Subspecialty internists
- Family practitioners
- Hospitalists
- Fellows in subspecialty training
- Allied health practitioners
- Residents (internists in training)
- Medical students interested in internal medicine

Learning Objectives

At the conclusion of this activity, participants will be able to:

- Apply updated knowledge of gastroenterology and hepatology to clinical practice
- Apply updated knowledge of cardiology to clinical practice
- Analyze the health effects of global climate change as it relates to primary care
- Improve clinical practice by incorporating new developments in issues related to physician wellness

CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of **5.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOC Statement

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **5.75 MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credit claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.
