Meeting Highlights

- Congestive Heart Failure
- Competency-Based Medical Education
- Anticoagulant Review
- ACP 2016 Update
- Advances in Clinical Microbiology
- Healthy Longevity in 2016

Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the North Dakota Chapter of the American College of Physicians, being held October 21, at the UND School of Medicine and Health Sciences.

This is a place for you to recharge, rewind, reflect, and reconnect with your peers, chapter leaders, and great speakers. Make your connection to the North Dakota Chapter's rich source of knowledge content and networking by attending our premier meeting for general internists and all primary care physicians, as well as subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal connections and getting involved in your chapter. You'll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at www.acponline.org/about-acp/chapters-regions/united-states/north-dakota-chapter/news-meetings.

I look forward to seeing you in Grand Forks.

Sincerely,

Neville Alberto, MD, FACP
ACP Governor, North Dakota Chapter

CME Accreditation and MOC Points

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of **5.25 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 5.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Chapter Awards

The North Dakota Chapter will be presenting Chapter awards during lunch.
