GOVERNOR’S LETTER

Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next annual meeting of the Massachusetts Chapter of the American College of Physicians (ACP), being held Saturday, November 4, 2017, at the Massachusetts Medical Society.

This meeting is not just for ACP members. I particularly want to invite nonmembers and those that attended the national ACP meeting in San Diego this past spring, as this meeting provides an opportunity to hear the latest in health care and public policy, especially as it pertains to your practice and our profession locally.

In addition to earning up to 6 CME credits, you will also do the following:

- Learn about clinical pearls around challenging issues
- Earn up to 6 Maintenance of Certification (MOC) points
- Join your colleagues in discussing clinical topics, mentoring, and leadership, and hear an ACP Advocacy Update from Bob Doherty
- Greet old friends, meet new ones, and develop a network of colleagues in your area

Between scientific sessions, please visit the college table. You will find information on new ACP programs, products, and services. This is a particularly exciting time as a number of electronic resources are available for your handheld devices — at no additional cost to members. We also invite you to visit with our exhibitors for their latest information.

To ensure your place at this invaluable meeting, register now by visiting <http://bit.ly/2vIPo6j> and completing the easy online registration form. You may also complete the form at the back of this brochure and send it by mail or fax. This meeting brings a unique blend of health policy and clinical practice updates, all in one place. Please contact us with any questions.

I look forward to seeing you in Waltham.

Sincerely,

George M. Abraham, MD, MPH, FACP
ACP Governor, Massachusetts Chapter

Laureate Award

It is with distinct pleasure that the Massachusetts Chapter will present the Laureate Award again this year. Laureate Award winners are long-standing and loyal supporters of the College who have rendered distinguished service to their chapters and community and have upheld the high ideals and professional standards for which the College is known. The award will be presented during lunch.

Residents' and Medical Students' Activities

The selected posters, prepared by resident and medical student members from Poster Day, will be presented and judged at the meeting for final awards. Oral presentations prepared by residents will also be presented. Winners will receive cash prizes.

Doctor's Dilemma will be held in the *morning* of the Annual Chapter Meeting beginning at 8:55 a.m. For more information and to submit your residency program teams, contact Lynda Layer at llayer@mms.org by October 2.

Who Should Attend

- General internists
- Subspecialty internists
- Family practitioners
- Hospitalists
- Fellows in subspecialty training
- Allied health practitioners
- Residents (internists in training)
- Medical students interested in internal medicine

If you are interested in becoming a member of the College, please contact the Member and Customer Service Department at (800) 523-1546, ext. 2600, or (215) 351-2600 (Monday–Friday, 9 a.m.–5 p.m. ET).

Attendance at chapter meetings can help all ACP members meet the qualifications for advancement to fellowship. It is especially important for those applying under the pathway that calls for five years of activity as a member.

Learning Objectives

At the conclusion of this activity, participants will be able to:

- Apply updated knowledge of functional neurologic disorders to clinical practice
- Understand recent advances in dermatology/rheumatology
- Understand recent advances in Neurocardiology
- Understand political advocacy and reform

CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of **6 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOC Statement

Successful completion of this CME activity enables the participant to earn up to **6 MOC** points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credit claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.

To claim MOC points for this activity, the ABIM requires that learners be enrolled in their MOC program. The ABIM also requires learners complete a comprehensive evaluation (e.g., quiz) of the learning that took place. Quiz questions are based on the meeting material, a minimum score of 60% is required to claim MOC points, and multiple attempts are permitted. If you have any questions about claiming MOC points, please contact ACP. If you have any questions about the MOC program, please contact the ABIM.
