Tennessee Internal Medicine Update 2018

This live activity has been designated for 10.5 CME credits and 10.5 MOC points.
An additional 4 CME credits can be obtained by attending the SEP sessions.

ACP[®]
American College of Physicians
Leading Internal Medicine, Improving Lives

Tennessee
Chapter

Meeting Highlights

- COPD Update
- Outpatient treatment of mental illness
- Alternative methods for pain management
- Bariatric medicine for the internist
- Opioid prescribing guidelines
- Clinical documentation and coding
- SEP modules for outpatient and inpatient medicine
- Physician Wellness

Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Tennessee Chapter of the American College of Physicians, being held October 26–27, at the Chattanooga Convention Center.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Tennessee Chapter's rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You'll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at **tnchapter.acponline.org**.

I look forward to seeing you in Chattanooga.

Sincerely,

Tracey E. Doering, MD, FACP
ACP Governor, Tennessee Chapter

Meeting Information

Resident/Fellow Members' and Medical Students' Activities

Clinical vignettes, posters, and research papers prepared by Resident/Fellow Members and Medical Students will be presented at the meeting. Winners will be eligible for entrance into the national competition held during Internal Medicine 2019. Please visit the Chapter Web site for information about the abstract competition. Deadline for submissions is **August 15, 2018**.

In addition, Tennessee internal medicine residents, MD and DO medical students, and internists practicing in the State of Tennessee, are eligible to enter our seventh annual ACP Tennessee Chapter Narrative Medicine competition. Please visit the Chapter Web site for information about the narrative competition. The deadline for submissions is **August 15, 2018**.

CME Accreditation and MOC Points

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of **10.5 AMA PRA Category 1 Credit(s)TM**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 10.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of alternative pain management and COPD treatment to clinical practice.
- Improve clinical practice by incorporating major new developments in prevention and treatment of HIV infections.
- Understand recent advances in alternative pain management and outpatient treatment of mental illness.
- Review clinical documentation and coding practices.
- Increase confidence in performing examinations to diagnose common sports injuries and reading chest x-rays.

Who Should Attend?

- General internists
- Subspecialty internists
- Family practitioners
- Fellows in subspecialty training
- Hospitalists
- Allied health practitioners
- Residents
- Medical students interested in internal medicine

Maintenance of Certification

Post-course: ABIM SEP Modules Session for Maintenance of Certification

Saturday, October 27

1:00–3:00 p.m.

2018–2019 Update in Hospital Medicine

Daniel S. Ely, MD, FACP

3:00–5:00

2018–2019 Update in Hospital Medicine

James B. Lewis, Jr., MD, MACP

SEP Faculty

Daniel S. Ely, MD, FACP, Associate Professor of Medicine, Department of Medicine, Division of Internal Medicine, University of Tennessee Graduate School of Medicine, Medical Assistant Director, University of Tennessee Hospice Services, Knoxville

James B. Lewis, Jr., MD, MACP, Adjunct Professor of Medicine, University of Tennessee Health Science Center; Associate Chief of Staff for Education, Memphis VA Medical Center, Memphis

SEP Learning Objectives

- Participate in group discussion to determine answers to multiple-choice questions.
- Apply updated knowledge of internal medicine to clinical practice.
- Understand recent advances in internal medicine.
- Complete an ABIM SEP Module toward partial fulfillment of the ABIM's Maintenance of Certification.

SEP CME Accreditation

The American College of Physicians designates this live activity, the SEP modules, for a maximum of **4 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Who Should Attend the SEP Post-course?

- Internists participating in the ABIM Maintenance of Certification Program
- General internists
- Family practitioners
- Subspecialty physicians

SEP Note

The Tennessee Chapter will provide you with a learner's copy of the ABIM module(s) at the meeting. If you are enrolled in the ABIM's Maintenance of Certification program, you also must order the module* directly from the ABIM by visiting www.abim.org/online. After the Learning Session, submit your answers online to the ABIM for Maintenance of Certification credit. For more information about the ABIM's Maintenance of Certification program, visit www.abim.org/moc or call ABIM at 800-441-ABIM (2246).

*If you are already enrolled in the ABIM Maintenance of Certification program, there is no additional fee for this official version of the module. If you are not enrolled, you may attend the Learning Session; however, you must enroll before receiving Maintenance of Certification points for the knowledge module. To enroll, visit www.abim.org/online.

Additional Information

Questions?

- If you have questions about the chapter, the meeting program, or have a disability or any special dietary needs, please contact Renee Arnott by telephone at 615-460-1657 or by e-mail at renee.arnott@tnmed.org.
- To register for the meeting, register online at www.cvent.com/d/zgq9ny.
