“Practices in a New Era of Medicine”

Stuart Bagatell, MD FACP; Stefanie R. Brown, MD FACP FAAP; Frederick K. Williams, MD FACP

Scientific Program Chairs

The Westin Ft Lauderdale Beach

LEARNING OBJECTIVES

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of internal medicine to clinical practice
- Improve clinical practice by incorporating major new developments in subspecialty medicine
- Understand recent advances in internal medicine
- Satisfy requirements of state-mandated educational course on Prevention of Medical Errors
- Satisfy requirements of state-mandated educational course on Intimate Partner Violence & Domestic Violence

CME & MOC

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of **23.5 AMA PRA Category 1 credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **23.5 MOC** points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

RESIDENTS ACTIVITIES & EVENTS

Posters prepared by Residents & Medical Students will be presented at the meeting. The Resident Poster Competition winners are invited to represent the FL Chapter at the 2020 national competition (Internal Medicine Meeting 2020).

Winners of the Doctors' Dilemma[™] competition will represent the FL Chapter at the 2020 Internal Medicine Doctors' Dilemma[™] competition.

PRESENTATIONS & ABSTRACTS

To help us **"GO GREEN"**, we are making our presentations and abstracts available *online only* on the Chapter Website. **No printed copies will be available.**

Florida Chapter Receives 2019 Chapter Excellence Award

Congratulations to the Florida Chapter for receiving the Gold Level of the 2019 Chapter Excellence Award! The award recognizes truly extraordinary chapters that surpass excellence in chapter management. In order to achieve the Gold Level of the Chapter Excellence Award, chapters must meet over 51 criteria including such activities as having a legislative action plan or agenda, holding a volunteerism/community service activity, holding multiple stand-alone meetings, having revenue sources outside of dues and meeting registration fees, implementing a strategic plan, implementing a formal recruitment and retention plan and measuring outcomes, conducting various activities for Medical Students, Residents and Early Career Physicians. Special thanks to those chapter members who assisted in all of these endeavors! For their hard work and dedication, we received this award.
