Meeting Highlights

- Update from the Immediate Past President of the American Medical Association
- Provider Concerns and Medical Marijuana
- Understand the Impact of Substance Use Disorders on Individual and Population Health
- Asthma Treatment and Therapies for Moderate and Severe Asthma
- Acute Stroke Update
- Planning and Publishing Clinical and Translational Research

Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the North Dakota Chapter of the American College of Physicians, being held October 4 at the DoubleTree by Hilton Hotel in West Fargo. We are joining the North Dakota Medical Association for a combined meeting.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the North Dakota Chapter's rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You'll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at ndchapter.acponline.org.

I look forward to seeing you in West Fargo.

Sincerely,

Fadel Nammour, MD, FACP
ACP Governor, North Dakota Chapter

- Be familiar with standard stepped approach to asthma, as well as the therapies for moderate and severe asthma not controlled with standard therapy, along with indications and contraindications.
- Recognize signs and symptoms of stroke and review of eligibility for intravenous TPA in acute ischemic stroke.
- Describe the role of providers under ND law regarding medical marijuana and discuss the risks and legal issues raised for providers under the law.

Who Should Attend?

- General Internists
- Subspecialty Internists
- Family Practitioners
- Fellows in Subspecialty Training
- Hospitalists
- Allied Health Practitioners
- Residents
- Medical Students Interested in Internal Medicine

Chapter Awards

We are presenting chapter awards at the meeting but do not yet know the recipients.

CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 5.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity (the North Dakota Chapter's annual scientific meeting), which includes participation in the evaluation component, enables the participant to earn up to 5.5 medical knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
