## South Carolina Chapter

# Meeting Highlights

- The Visual Arts and Medicine
- Chronic Pain and Addiction—Clinical Challenges and Opportunities
- Update in IM Bedside Ultrasound: Are We Being Left Behind?
- Noninvasive Testing Strategies for CAD
- Updates on the Treatment of Type II Diabetes
- Wound Care: Going From Scare to Scars

Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the South Carolina Chapter of the American College of Physicians, being held October 25-27 at the Charleston Marriott Hotel.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, Chapter leaders, and great speakers. Connect with the South Carolina Chapter's rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your Chapter. You'll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at [scchapter.acponline.org](http://scchapter.acponline.org).

I look forward to seeing you in Charleston.

Sincerely,

Mary Beth Poston, MD, MSCR, FACP  
ACP Governor, South Carolina Chapter

# Meeting Information

## Resident/Fellow Members' and Medical Students' Activities

Clinical vignettes, posters, and research papers prepared by Resident/Fellow Members and Medical Student Members will be presented at the meeting. Winners will receive monetary prizes and the top two winners will be eligible for entrance into the national competition held during ACP Internal Medicine Meeting 2020. Contact Vinod Nambudiri, MD, MBA, FACP, at [vinod.nambudiri@gmail.com](mailto:vinod.nambudiri@gmail.com) for information about entering the Resident/Fellow Members' Competition. Deadline for submissions is August 6, 2019.

## Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of internal medicine to clinical practice.
- Understand recent developments in internal medicine.
- Increase confidence in performing clinical skills.
- Improve clinical practice by incorporating major new developments in subspecialty medicine.

## Who should attend?

- General internists
- Subspecialty internists
- Family practitioners
- Fellows in subspecialty training
- Hospitalists
- Allied health practitioners
- Residents
- Medical students interested in internal medicine

## Chapter Awards

It is with distinct pleasure that the South Carolina Chapter presents this year's Laureate Award. Laureate Award winners are long-standing and loyal supporters of the College who have rendered distinguished service to their chapter and community and have upheld the high ideals and professional standards for which the College is known. The Laureate Award, along with the James McFarland, Early Career Physician, and Resident/Student Awards, will be presented during the Friday evening reception.

## CME Accreditation and MOC Points

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 12 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 medical knowledge MOC points in the American Board of Internal Medicine's (ABIM's) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credit claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
