

West Virginia Chapter Scientific Meeting 2019

October 24-26, 2019

Stonewall Resort
Roanoke, West Virginia

[Register Online Today!](#)

Hospital Medicine

This live activity has been designated for 11 CME credits.

Healthy
Meeting
Pledge

The WV ACP Chapter has promised to take the Healthy Meeting Pledge. Low sugar drinks, lighter options meal selections, fruits, vegetables and whole grains will be offered during every meal. Desserts will only be offered during the evening meals. In keeping with this pledge, we ask that attendees move within the meeting space by standing or stretching as often as needed. Please wear comfortable shoes in order to take a walk during breaks.

Meeting Highlights

- One SEP Module
- Doctor's Dilemma®
- Subcommittee Meetings
- Mentoring Opportunities
- Town Hall Meeting
- Physician Wellness

Dear Colleague,

Join your colleagues and me in internal medicine at the next scientific meeting of the WV Chapter of the American College of Physicians, being held **October 24-26, 2019 at the Stonewall Resort**.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the West Virginia Chapter's rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students. This year we will be adding subcommittee time to address issues specific to women in medicine, volunteerism and public policy.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You will engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at **wvchapter.acponline.org**.

I look forward to seeing you in Roanoke.

Sincerely,

Laura Davisson, MD, MPH, FACP
ACP Governor, WV Chapter

Resident/Fellow Members' and Medical Students' Activities

Clinical vignettes, posters, and research papers prepared by Resident/Fellow Members and Medical Students will be presented at the meeting. Winners will receive a monetary prize and be eligible for entrance into the national competition held during Internal Medicine Meeting 2020. Please contact Sheri Campbell at scampbell@hsc.wvu.edu for information about entering the Resident/Fellow Members' Competition.

Learning Objectives

At the conclusion of this activity, the participant should be able to:

- Explore recent updates in high-value care for the Internist.
- Identify and discuss issues and pitfalls surrounding patient disposition from the inpatient setting.
- Discuss the advantages and disadvantages of early broad-spectrum antibiotic administration in sepsis.
- Review point-of-care ultrasound applications and knobology.
- Demonstrate basic technique and use of point-of-care ultrasound relevant to the Internist.

Program Planning Committee

CME Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the WVU School of Medicine and the WV American College of Physicians. The WVU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The WVU Office of CME designates this live activity for a maximum of 11 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Number of approved MOC points: 10

Disclosure: All those in a position to control content have indicated that they have no relevant interests to disclose.

Maintenance of Certification

ABIM SEP Modules Session for Maintenance of Certification

Saturday October 26, 2019

10:15 a.m.

MOC Update in Internal Medicine

SEP Faculty

Beth Pellegrino, MD, Associate Professor and Interim Section Chief of Nephrology, WVU School of Medicine, Morgantown

Ron Pellegrino, MD, Chief Operations Officer and Associate Dean for Clinical Affairs, WVU School of Medicine, Morgantown

SEP Learning Objectives

- Participate in a group discussion to determine answers to multiple-choice questions.
- Apply updated knowledge of internal medicine to clinical practice.
- Recognize recent advances in internal medicine.
- Complete an ABIM SEP Module toward partial fulfillment of the ABIM's Maintenance of Certification.

Who Should Attend the SEP Post-Course?

- Internists participating in the ABIM Maintenance of Certification Program
- General internists
- Subspecialty physicians

SEP Note

The WV Chapter will provide you with a learner's copy of the ABIM module(s) at the meeting. If you are enrolled in the ABIM's Maintenance of Certification program, you also must order the module* directly from the ABIM by visiting www.abim.org/online. After the Learning Session, submit your answers online to the ABIM for Maintenance of Certification credit. For more information about the ABIM's Maintenance of Certification program, visit www.abim.org/moc or call ABIM at 800-441-ABIM (2246).

This module is eligible for 10 MOC points through ABIM.

*If you are already enrolled in the ABIM Maintenance of Certification program, there is no additional fee for this official version of the module. If you are not enrolled, you may attend the Learning Session; however, you must enroll before receiving Maintenance of Certification points for the knowledge module. To enroll, visit www.abim.org/online.
