Dear Colleague,

Join us and your colleagues in internal medicine at the next scientific meeting of the OH/USAF chapters of the American College of Physicians, being held October 28-29, 2021, at the Greater Columbus Convention Center.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the OH/USAF chapters' rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You'll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at **ohchapter.acponline.org** and **airforcechapter.acponline.org**

We look forward to seeing you in Columbus.

Sincerely,

Craig Nielsen, MD, FACP
ACP Governor, Ohio Chapter

Angelique N. Collamer, MD, FACP
ACP Governor, US Air Force Chapter
