Dear Colleague,

Join us and your colleagues in Internal Medicine at the next scientific meeting of the Oklahoma Chapter of the American College of Physicians, being held October 16–17, 2020 (virtually!).

We are excited to bring you a mix of Quality Improvement and Policy updates to help you improve your practice in Oklahoma. We also will offer an opioid "Proper Prescribing" session that fulfills osteopathic and allopathic yearly license requirements.

The virtual setting will include interactive live Q&A's with our speakers and a unique chance to talk with both national and local experts from your own couch. We are working with a professional vendor and plan to offer an outstanding experience for general internists, sub-specialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits and MOC points, we strive to continue opportunities of networking and getting involved in your Chapter. You'll engage with people who know your challenges and can help you find solutions.

To ensure your place at this invaluable meeting, register now by visiting us online at <https://www.acponline.org/about-acp/chapters-regions/united-states/oklahoma-chapter>.

We look forward to your participation!

Sincerely,

Audrey Corbett, MD, FACP
Chair, 2020 Chapter Meeting Program Committee

Robert B. Hauger, MD, FACP
ACP Governor, Oklahoma Chapter
