Meeting Highlights

- Dr. Mary Walker: Civil War Surgeon and an American Original
- Practical Strategies to Promote Adult Immunizations
- Advanced Heart Failure Management Update
- Digital Health: Past, Present, and Future
- Update on COVID-19: Lessons Learned
- Integrative Medicine: Roots, Fruit, and Branches

Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next scientific meeting of the South Carolina Chapter of the American College of Physicians, being held October 22–24, 2021, at the Charleston Marriott Hotel. For those who cannot join us in person, we also are offering an opportunity to participate virtually.

This meeting is not just for ACP members. I particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, Chapter leaders, and great speakers. Connect with the South Carolina Chapter's rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits and MOC points, this conference is about making personal contacts and getting involved in your Chapter. You'll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at [scchapter.acponline.org](https://www.scchapter.acponline.org).

I look forward to seeing you in Charleston.

Sincerely,

Mary Beth Poston, MD, MSCR, FACP
ACP Governor, South Carolina Chapter

CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of **12 AMA PRA Category 1 Credit(s)[™]**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12 medical knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credit claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
