- Precision Medicine: Turning Sick Care Into Health Care
- Physician Well-being in Training
- MIPS Reporting: Managing the Challenges

Dear Colleague,

Join me and your colleagues in internal medicine at the next scientific meeting of the Arizona Chapter of the American College of Physicians, being held October 20–22, 2017, at the DoubleTree Hilton Hotel–Reid Park, in Tucson.

The meeting is a great way for you to recharge, rewind, and reflect with your peers, chapter leaders, and great speakers. Connect with the Arizona Chapter's rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students.

In addition to earning CME credits, this conference is about making personal contacts and getting involved in your chapter. You'll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

To ensure your place at this invaluable meeting, register now by visiting us online at azchapter.acponline.org.

I look forward to seeing you in Tucson.

Sincerely,

Robert M. Aaronson, MD, FACP
ACP Governor, Arizona Chapter

ACP Meeting Greetings

Dear Colleague,

The field of Internal Medicine is constantly changing, and this significantly impacts many areas of our practice. State-of-the-art treatments and approaches such as biologics for rheumatologic disorders and antivirals for hepatitis or HPV appear almost yearly. Scientific advances have also brought exciting new approaches such as precision medicine into our treatment regimens.

As healthcare providers, we are entrusted to manage a vast array of disorders that span the spectrum of medicine. Our goal is to ensure that you are aware of the current approaches and solutions for the diagnosis and management of the challenging disorders you face daily.

There is appreciable uncertainty about the future of both undergraduate and graduate medical education. Our program will explore some of the complexities of the challenges facing medical education leadership today.

Reportedly, over half of the physicians in the United States experience burnout. The loss of enthusiasm for work and decreased sense of personal accomplishment has consequences for patients, practitioners, trainees, and significant others. The good news is that we have presenters to provide insight and practical strategies to both recognize and address wellness issues.

This year we are rolling out an updated format for the poster sessions and Doctor's Dilemma® competition. The Governor's Dinner promises to be a true celebration of the chapter's accomplishments and will serve as a spring board for another truly productive year.

We look forward to your participation. Tucson is undeniably delightful in October, and we hope to see you then!

Sincerely,

Eugene Trowers, MD, MPH, FACP
2017 Program Chair

Chapter Awards

The Arizona Chapter will be presenting the following Chapter Awards at the Governor's Dinner Friday night:

Laureate Award

Volunteerism and Community Service Award

Early Career Physician of the Year Award

Educator of the Year Award

Hospitalist of the Year Award

Internist of the Year Award

Leader of the Year Award

Researcher of the Year Award

Resident/Fellow of the Year Award

Medical Student of the Year Award

Meeting Information

Resident/Fellow Members' and Medical Students' Activities

Clinical vignettes and posters prepared by Resident/Fellow Members and Medical Students will be presented at the meeting. Winners will receive prize money and be eligible for entrance into the national competition held during Internal Medicine 2018. Contact Joni Bowers at joni@azmed.org for information about entering the Resident/Fellow Members' Competition. Deadline for submissions is Tuesday, September 6, 2017.

Residents will have an amazing opportunity to prepare for clinical practice or fellowship and meeting with outstanding practicing physicians, face-to-face. The Poster Competition, Oral Vignettes, and Doctor's Dilemma® competitions are exciting, challenging, and fun!

Medical Students should not miss the opportunity to meet and question Residency Directors from around the state at the Friday "Meet the Residency Directors" event. Medical students also present their Posters and compete in their own round of Doctor's Dilemma®, with that winner then competing with other Arizona teams.

Willing to judge? Visit www.surveymonkey.com/r/LTZ8KG8 to volunteer.

CME Accreditation and MOC Points

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity, Internal Medicine 2017 - Challenges and Solutions, for a maximum of **13.5 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 13.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of pain management and handling challenging patient encounters to clinical practice.
- Improve clinical practice by incorporating major new developments in management of osteoporosis.
- Improve clinical practice by incorporating major new developments in prescribing psych meds safely.
- Understand recent advances in precision medicine.

Who should attend?

- General internists
- Subspecialty internists
- Family practitioners
- Fellows in subspecialty training
- Hospitalists
- Allied health practitioners
- Residents
- Medical students interested in internal medicine

Maintenance of Certification

Precourse: ABIM SEP Modules Session for Maintenance of Certification

SEP Faculty

Robert M. Aaronson, MD, FACP, Governor, ACP Arizona Chapter; Director of Medical Education, Tucson Medical Center, Tucson; Clinical Professor of Medicine, University of Arizona; Adjunct Clinical Professor, Midwestern and A.T. Still Universities, Mesa

Evan Holdsworth, MD, Internal Medicine Practitioner, Phoenix

Allan L. Markus, MD, MS, MBA, FACP, Internal Medicine Residency Program Director, HonorHealth; Clinical Associate Professor of Medicine, UA College of Medicine, Phoenix

Nathaniel Reyes, MD, Pulmonary/Critical Care physician, Pulmonary Associates of Southern Arizona, Tucson

Who Should Attend the SEP Precourse?

- Internists participating in the ABIM Maintenance of Certification Program
- General internists
- Family practitioners
- Subspecialty physicians

SEP Note

The Arizona Chapter will provide you with a learner's copy of the ABIM module(s) at the meeting. If you are enrolled in the ABIM's Maintenance of Certification program, you also must order the module* directly from the ABIM by visiting www.abim.org/online. After the Learning Session, submit your answers online to the ABIM for Maintenance of Certification credit. For more information about the ABIM's Maintenance of Certification program, visit www.abim.org/moc or call ABIM at 800-441-ABIM (2246).

SEP Learning Objectives

- Participate in group discussion to determine answers to multiple-choice questions.
- Apply updated knowledge of internal medicine to clinical practice.
- Understand recent advances in internal medicine.
- Complete an ABIM SEP Module toward partial fulfillment of the ABIM's Maintenance of Certification.

SEP CME Accreditation

The American College of Physicians designates this live activity, the SEP Module Precourse, for a maximum of 4.0 AMA PRA.

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of **4.0 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

*If you are already enrolled in the ABIM Maintenance of Certification program, there is no additional fee for this official version of the module. If you are not enrolled, you may attend the Learning Session; however, you must enroll before receiving Maintenance of Certification points for the knowledge module. To enroll, visit www.abim.org/online.
