ACP's membership year runs from July to the following June of each year. Membership dues rates are prorated throughout the membership year. The dues you are charged as a new member will be contingent upon the month you join. As a special consideration, dues are waived for new members who are elected in April, May and June, providing that the new member pays his/her full dues amount for the next membership year.

For information on reduced dues rates, including dues adjustments for special circumstances, please visit www.acponline.org/membership/dues/special.htm.
