**What is ACP Resident/Fellow Membership?**

Resident/Fellow Membership is generally limited to physicians in approved residencies in internal medicine, combined internal medicine programs, or neurology, or to physicians in fellowships in subspecialties of internal medicine. Resident/Fellow Membership is a temporary category of membership in ACP with all privileges except the right to hold office or sponsor candidates for membership. Resident/Fellow Members in good standing after two years of membership have the right to vote.

Applicants outside of the U.S. should submit the international Resident/Fellow application found at [www.acponline.org/intjoin](http://www.acponline.org/intjoin).

**When do I apply?**

Resident/Fellow Memberships run on an annual cycle of July 1 to June 30. Memberships in the current cycle will end on June 30, 2026, regardless of the date of join. To maximize your membership, it is recommend you join in July.

**How much are dues?**

The dues amount owed may be found on the front of this form and must be submitted at time of application. All ACP dues are subject to change annually. For information on the benefits, you will receive as a Resident/Fellow Member, please visit [www.acponline.org/membership/residents](http://www.acponline.org/membership/residents). Benefits are activated once dues have been paid and will remain active until June 30, 2026.

**How long is the term?**

As long as dues are kept current, the Resident/Fellow term is generally for the postgraduate years after medical school until training is completed. As the term of Resident/Fellow Membership draws to a close, you will have the option of applying for full membership.

**Please note:**

Membership in ACP includes membership in ACP national, your local ACP state/regional chapter, and ACP Services. A portion of your dues supports ACP national and ACP Services. Members may not opt out of any of these entities.

The majority of your membership dues may be tax deductible as a business expense. Dues are based on your member class and years since medical school graduation (if applicable). Your dues are allocated to several specific entities: primarily to ACP, and secondarily to ACP Services. Full payment of dues is required in order to maintain ACP membership in good standing. Total dues owed are subject to change annually. Please note:

- ACP is a 501(c)(3) organization. The majority of your total dues allocated is earmarked for education, information, and publications, all of which support the College's mission. In addition, a subscription price for members who receive ACP print publications is a component of your national dues. Subscriptions cannot be deducted from dues.
- ACP Services is a 501(c)(6) organization. The smaller portion of your total dues allocated belong to ACP Services. These are earmarked for lobbying and advocacy as well as other business and noncharitable functions and are not deductible as a charitable contribution for U.S. federal income tax purposes. For information on the activities that fall within ACP Services, please visit [www.acpservices.org](http://www.acpservices.org).
- Members living outside of the United States pay discounted dues and may choose to receive online-only access to ACP publications. For information on dues rates for international members, please visit [www.acponline.org/dues](http://www.acponline.org/dues).
- ACP members are offered the exclusive benefit of access to "Member Connection." This is an online directory of ACP members (unless they ask not to be included) that is accessible to members only.

Please visit [www.acponline.org/dues](http://www.acponline.org/dues) to learn how dues are apportioned to each entity. Consult your tax professional for more detail.

**ACP Ethics Statement**

ACP members are expected to uphold the ethics of medicine exemplified by the standards and traditions of ACP, including those in the *Ethics Manual* ([www.acponline.org/ethicsmanual](http://www.acponline.org/ethicsmanual)). A booklet version can be ordered through Member and Product Support. Members should also be familiar with the College's current procedures for addressing ethical complaints against ACP members ([www.acponline.org/complaintsprocedures](http://www.acponline.org/complaintsprocedures)). The staff of ACP's Center for Ethics and Professionalism is available as a resource for questions concerning ethics.
