Instructions

1. Eligibility

Eligibility for ACP Non-Physician Affiliate membership shall include licensed nonphysician health care professionals working in the U.S. who maintain a professional credential to practice. Non-Physician Affiliate membership is available but not limited to physician assistants, nurse practitioners and other advanced practice nurses, registered nurses, pharmacists and doctors of pharmacy, genetic counselors, clinical social workers, and clinical psychologists. This membership category is not for administrative personnel.

2. Materials to Be Submitted

Generally, the election process takes approximately two weeks providing the application is complete and includes a dues payment.

Application form. All information must be completed, and the applicant must sign the application form. Incomplete or unsigned applications will be returned to the applicant. The applicant should retain a copy for their records.

Dues payment. ACP membership is valid for one year from join date. Annual dues include fees to support both the national ACP and your local chapter.

3. About ACP Membership

The majority of your membership dues may be tax deductible as a business expense. Dues are based on your member class and years since medical school graduation (if applicable). Your dues are allocated to several specific entities: primarily to ACP, secondarily to your local chapter (where applicable), and tertiarily to ACP Services. Full payment of dues is required in order to maintain ACP membership in good standing. Total dues owed are subject to change annually. Please note:

- ACP is a 501(c)(3) organization. The majority of your total dues allocated is earmarked for education, information, and publications, all of
 which support the College's mission. In addition, a subscription price for members who receive ACP print publications is a component of
 your national dues. Subscriptions cannot be deducted from dues.
- ACP Services is a 501(c)(6) organization. The smaller portion of your total dues allocated belong to ACP Services. These are earmarked for lobbying and advocacy as well as other business and noncharitable functions and are not deductible as a charitable contribution for U.S. federal income tax purposes. For information on the activities that fall within ACP Services, please visit www.acpservices.org.
- If you reside in an area where there is an ACP chapter, or if you are a member of the military, a portion of your dues is allocated to your local or military chapter.
- Members living outside of the United States pay discounted dues and may choose to receive online-only access to ACP publications. For information on dues rates for international members, please visit www.acponline.org/dues.

Consult your tax professional for more detail.

4. Notification of Election

Applicants are sent a welcome e-mail within four weeks of election.

5. ACP Ethics Statement

ACP members are expected to uphold the ethics of medicine as exemplified by the standards and traditions of ACP, including those in the *Ethics Manual* (**www.acponline.org/ethicsmanual**). A booklet version can be ordered through Member and Product Support. Members should be familiar with the College's current Procedures for Addressing Ethical Complaints Against College Physician Members (**www.acponline.org/complaintsprocedures**). The staff of ACP's Center for Ethics and Professionalism is available as a resource for questions concerning ethics.
