

Dear Colleague,

Registration is now open for the **Caribbean Cardiology Conference**.  
July 26-29, 2016  
Bridgetown, Barbados

In addition to the networking and collegiality offered by the meeting, it is also a valuable learning opportunity.

**Don't forget to stop by the ACP booth.** A representative from ACP will be present with books, MKSAP 17 special pricing, and membership information.

To view the full meeting program and to register, visit the website at:
