

## **CMS reminder: 2018 MIPS data submission deadline is April 2**

*The Centers for Medicare & Medicaid Services distributed the following alert...*

The Centers for Medicare & Medicaid Services (CMS) has officially opened the data submission period for Merit-based Incentive Payment System (MIPS) eligible clinicians who participated in Year 2 (2018) of the Quality Payment Program. Data can be submitted and updated any time **until 8:00 p.m. EST on Tuesday, April 2.**

CMS Web Interface users need to report their Quality performance category data by **8:00 p.m. EST on Friday, March 22.** Clinicians who reported Quality measures via Medicare Part B claims can sign in to [qpp.cms.gov](http://qpp.cms.gov) to view current performance based on claims that have been processed by your Medicare Administrative Contractor.

If you are working with a third-party intermediary to submit data on your behalf, we encourage you to sign in to the [Quality Payment Program website](#) during the submission period and review the submission for accuracy. Data cannot be resubmitted after the submission period closes.
