Georgia Health Information Technology Extension Center (GA-HITEC)

Ready...Set...GO!

GA-HITEC is pleased to partner with the State Office of Rural Health to facilitate a funding and technical assistance opportunity for rural primary care practices that have a strong commitment to practice transformation and are ready to move forward. GA-HITEC will provide expert consulting services for the National Committee for Quality Assurance (NCQA), Patient Centered Medical Home (PCMH) recognition for a limited number of practices. Funding is available to reimburse participating practices for NCQA application or renewal for up to 3 providers.

Take advantage of this opportunity now! Limited time!
