The Planning Committee is hard at work to bring you another great annual meeting. This year's theme will be "Changing How We Care". Our new Program Chair, Dr. Kevin Goist, will be building on last years' success but also switching things up a bit. Watch your email (and snail mail) for this year's schedule of events.

Internal Medicine 2019

Internal Medicine 2019 will take place in Philadelphia, PA from April 11th-13th. Registration is now open. The Ohio Chapter reception will be held on Friday, April 12th from 6:00-7:30 p.m. at the Philadelphia Marriott Downtown. We will again be joined by the Air Force, Army and Navy Chapters of ACP. LEADERSHIP DAY 2019

Leadership Day will take place May 14th and 15th on Capitol Hill. It is a tremendous opportunity to learn about ACP's Advocacy activities and have a chance to speak with

Representatives and staff about College concerns. This year we are proud to announce that we will be sponsoring grants for up to two medical students from each school to attend. Each grant will be in the amount of \$750. **Students will be chosen by their school and must be members to attend.** More details will be forthcoming but if you are interested in attending, please contact Jan Wrassman with questions.

Member Highlights

The Chapter is proud to announce that *Dr. Michael J. Tan* has been elected as a Regent of the College. This is a distinct honor as only two new Regents are elected each year. Dr. Tan will begin his two-year term at the conclusion of Internal Medicine 2019. Please be sure to congratulate Mike when you see him.

We are pleased to announce that *Dr. David Savage* of Cleveland Clinic, has been selected as one of four finalists for the national ACP Innovation Challenge 2019: Fostering Partnerships between Physicians and Families. Dr. Savage will present his innovation at the Internal Medicine conference in April. The winner will be awarded a \$20,000 cash prize and the audience will select an additional awardee to receive \$5,000. Good luck Dr. Savage!

The Ohio Chapter has had two members elected to serve on national council:

Dr. Ashruta Patel, Cleveland Clinic, has been elected to serve on the national ACP's Council of Resident/Fellow Members (CRFM). This is a two-year term which will commence with Internal Medicine 2019. Congratulations Dr. Patel!

Emily Rose, also of Cleveland Clinic, has been elected to serve on the national ACP's Council of Student Members (CSM). This is a two-year term which will commence with Internal Medicine 2019. Congratulations Emily!
