

Dear Colleague,

I would like to invite all ACP members to attend the [Spring Clinical Vignette Competition and Banquet](#) this coming [Thursday, May 22 at 5:00pm](#). The event will be held at the University of Utah Health Sciences Education Building ([HSEB](#)) room #1730. Parking validations are available for the terrace just east of the HSEB building (see map below).

We had a record-breaking 34 submissions this year from our medical students, residents, and fellows; of those submissions, five (5) outstanding cases have been chosen to be presented at this event. All presenters will receive an award and the top presenter will get an opportunity to present their case at the ACP Internal Medicine 2015 Conference in Boston, MA. This is a great opportunity for you to hear some interesting cases and show your support - we hope you can attend!
