The ACP Saudi Arabia Chapter "Women Health Awareness"

held an event at King Abdullah Stadium / Jeddah headed by Dr Rabab Taha, Chairwoman health Organization, ACP Saudi Chapter, for woman health regarding cervical cancer, Breast cancer, osteoporosis and sport related health.

On the 11th November, 2017, ACP have participated in the Shoot for a Cause event held in King Abdullah Stadium in Jeddah under sponsor of Saudi ministry of health and the Saudi general sports authority.

Many activities has been conducted with the aim of spreading women health awareness (HIV, Breast cancer, cervical cancer, Osteoporosis, nutrition and sports activities). Our role was mainly focused on Breast cancer awareness and cervical cancer screening and vaccination.

Thank you to all guests, organizers, sponsors, volunteers and participants for the success of the event.
