Dr. Jayant Kumar Panda

Dear Friends and colleagues,

It is indeed a proud moment to invite you to attend the 6th Annual Conference of the ACP India Chapter Congress – Internal Medicine 2021, at Hyatt Centric Goa, from 10th - 12th December 2021.

In very trying times of COVID, thanks for sharing & contributing, digitally. Now, the time has come to meet physically and to make that possible we have decided to conduct the conference in GOA for safety & flexibility, academics blended with the fresh air of GOA. The Organising Committee has worked very hard to put this together, keeping in mind the safety & leisure of the attendees.

The focus will be on academics. The sessions will be led by renowned international and regional experts in the field, through discussions and case presentations that will provide the necessary knowledge to delegates to stay ahead in their field.

ACP India Chapter Congress 2021 gives a unique opportunity to interact and engage with over 500 physicians and specialists and learn about the latest advances in internal medicine. It is an excellent platform to not only broaden your reach, but also demonstrate your active role and commitment to improve the quality in patient care.

We look forward to your active participation in this scientific fest.

Dr. Anuj Maheshwari
Governor
