

The Arkansas Immunization Action Coalition (AIAC) is a group of healthcare providers and public health stakeholders whose mission is to serve as a catalyst to promote individual and public health for all Arkansans through immunizations. The AIAC is excited to announce 25 - \$1,000 mini-grants to providers to support and enhance the promotion of immunizations in Arkansas. Grant proposals must be projects that support immunization rates, reach underserved populations, or aid in and advance the use of immunization best practices. Proposals are due June 15th so don't delay! For more information about the grant guidelines, please visit the AIAC website [www.immunizear.org](http://www.immunizear.org).
