Registration for the Arkansas Chapter Scientific Meeting is open! Don’t miss this opportunity to see the new NEA Baptist Memorial Hospital in Jonesboro and network with your colleagues, and hear the latest updates while earning CME.

Program Co-Chairs Drs. Ray Hall, Steve Woodruff and Adam Woodruff have planned an exceptional program. Highlights include:

- Advancing Therapy for Type 2 Diabetes
- Valvular Heart Disease
- New Advances and Controversies in Cancer Treatment
- The Role of Interventional Radiology in the Treatment of Disease
- And much more!

View the full program and register online. Early bird registration rates end October 3.

A block of rooms have been reserved at the Hilton Garden Inn in Jonesboro. Reservation details can be found on page 6 of the program.
