LEARNING OBJECTIVES

At the conclusion of this course, the participant will be able to:

♦ Use their enhanced knowledge in Internal Medicine in preparation for Board Examinations

♦ Apply updated knowledge in specific areas of subspecialty medicine

♦ Improve patient care by application of specific skills relating to subspecialty medicine treatment and/or referrals to specialty practitioners when appropriate

♦ Understand recent advances in internal and subspecialty medicine
CME/MOC

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Institute for Medical Quality/California Medical Association (IMQ/CMA) through the joint providership of St. Bernardine Medical Center and University of California, Riverside (UCR) School of Medicine. St. Bernardine Medical Center is accredited by the IMQ/CMA to provide continuing medical education for physicians. St. Bernardine Medical Center designates this live activity for a maximum of 20 AMA PRA Category 1 Credit(s)™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 20 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
