LEARNING OBJECTIVES

At the conclusion of this course, the participant will be able to:

- ◆ Use their enhanced knowledge in Internal Medicine in preparation for Board Examinations
- ◆ Apply updated knowledge in specific areas of subspecialty medicine
- ◆ Improve patient care by application of specific skills relating to subspecialty medicine treatment and/or referrals when appropriate
- ◆ Understand recent advances in internal and subspecialty medicine

CME/MOC

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the California Medical Association (CMA) through the joint providership of St. Bernardine Medical Center and the American College of Physicians (ACP) Southern California Region II Chapter. St. Bernardine Medical Center is accredited by the CMA to provide continuing medical education for physicians. St. Bernardine Medical Center designates this live activity for a maximum of 20 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 20 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

COURSE HIGHLIGHTS

- ◆ 20 hours of focused coverage of various Internal Medicine fields utilizing Reviews-Updates and Practice Questions (RU-PQS) format
- ◆ High-yield “pearls”
- ◆ Case-based questions
- ◆ Online access to program material
- ◆ Convenient live online format

TARGET AUDIENCE

- ◆ Internal Medicine Residents, Fellows and Attending Physicians who are interested in a focused review of Internal Medicine in preparation for taking Board certifying or recertifying examinations or the in-training examination.
- ◆ Primary care physicians and providers including nurse practitioners (NPs) and Physician Assistants (PAs), as well as NP and PA students/residents who are interested in a focused review of Internal Medicine.
- ◆ Medical students who are interested in a focused Internal Medicine review, or who will be taking Part II of the National Boards Exam.

COURSE REGISTRATION (Includes both days)
