Understanding MACRA, MIPS and Medicare: An Impossible Dream?

Date:  Wednesday, November 29, 2017

Time:  6:00pm – 7:00pm

Join us for a webinar on MACRA! Hear from Dr. Arthur N Lurvey who will provide valuable information on MACRA.

Key learning points:

- We will give brief overview of the MACRE-MIPS-APM situation with resources for more information and a company which will help you get involved for no cost.
- We will discuss new review mechanisms, including TPE and discuss services we are currently reviewing
- We will tell you how to react to requests for records and all the current appeals mechanisms
- We will look at the short term future of clinical medicine and Medicare

About our speaker:

Arthur N. Lurvey, MD, FACP, FACE
Board certified internist and endocrinologist and a Medicare Contractor Medical Director for 19 years. He received his MD degree from the University of Illinois, and had his post doctorate and fellowship training at Los Angeles County-USSC Medical Center. He is a delegate to both the California Medical Association and American Medical Association, has been a past Hospital Chief of Staff and served on the quality and the CHART committees of the Hospital Council of Southern California. He also is on the C-6 Board of the California Region of the American College of Physicians and on several committees of the American Association of Clinical Endocrinologists. Dr. Lurvey was a member of the American College of Physician Executives. Other medical activities include service as a CMA surveyor for both the JCAHO hospital survey program and the CME accreditation program in California.
