How do I Benefit from the (c6)?

- A portion of your chapter dues ($25 per year) goes to support the activities of the c6

- What types of activities are supported?
  - Sacramento and Washington Leadership Days
  - Lobbying to advance legislation impacting CA ACP
  - Collaborating with California Medical Association (CMA)
  - Engaging Early Career and trainees in advocacy and leadership
Your Role as An Advocate In Medicine

- *It’s Simple and Not Time Consuming*

- As key issues approach the decision-making stage on Capitol Hill, the College distributes legislative alerts to ACP members. Legislative alerts include all the necessary information (including sample messages that can be easily personalized) to make informative contacts with members of Congress.

- ACP staff is always available to provide support and answer legislative questions.
CA ACP’s Continued Vision for the Future

- Increase value to membership through state and national advocacy reflecting your voice
- Provide more interactive forums for our members
- Continue supporting participation by medical students, associates and early career physicians
- Continued collaboration with other health and policy related organizations
- Ensure the continued fiscal stability of CA ACP by maintaining a corporate reserve account invested
- Recruit and mentor new leadership
