Call for Submissions

The American College of Physicians (ACP) Colorado Chapter is pleased to announce the fifth year of its “humanism in internal medicine” story contest. For internists, it can sometimes be easy to lose the “forest for the trees,” so to speak, in our busy clinical practices and not pause to reflect on the meaningful experiences that we share with patients and colleagues. To promote mindfulness in our profession, we invite you to submit a story about a patient or colleague that has had a particular impact on your growth as an internist over the past year.

ELIGIBILITY

- Authors must be ACP members at the time of submission. If you are not an ACP member, you may join online at: https://www.acponline.org/membership
- Authors can be trainees and/or practicing internists.
